

*Keeping in
Touch, Simply
and Smoothly.*

With LG, it's all possible.™

LG Freedom™ II

The LG Freedom II keeps you in touch with family and friends—quickly and easily. With the convenient slide-out QWERTY keyboard and large touchscreen, you can text like an expert and enjoy modern technology that keeps life simple. Plus, capturing every moment is a breeze with the point and shoot camera. Let the LG Freedom II carry you to new heights and beyond.

3.2" WQVGA Touchscreen

View and manage emails, texts, and media with ease on the efficient touchscreen.

Stylish Design with QWERTY Keyboard

Text quickly and accurately with the slide-out QWERTY keyboard designed to be comfortable and familiar.

Advanced Messaging Features

Let Auto-Reply respond to texts when you're busy, and use Message Scheduler to plan out messages you will send later on.

Smart LED Notification

Know instantly if you missed a call or appointment just by looking at the LED, with each color symbolizing a different alert.
