LG G3 Vigor™

Get into the fast lane and grab hold of the LG G3 Vigor.

Taking cues from the flagship LG G3, the LG G3 Vigor delivers the sophisticated experience you would expect from the G-Series. With smooth curves and a sharp design, this device looks good and feels great. An 8 MP Laser Auto Focus Camera will capture the moments you won't want to miss. Plus, LG-exclusive features deliver performance that is simple and convenient. Let the G3 Vigor fuel the truly innovative mobile experience you've been seeking.

Large 5.0" HD IPS Display

See all your media and entertainment with bright, rich imagery on the crisp, high-quality screen.

1.2 GHz Quad-Core Processor

Experience the power of four cores to fuel a fast, seamless experience for all your on-device activities.

Ergonomic Design

Sleek, rounded edges provide in-hand comfort and a secure grip for enjoyable all day use.

Rear Key

Large, textured buttons are comfortably located to improve touch response and provide ambidextrous use.

2,540 mAh Removable Battery

Take on your tasks with a durable battery that can keep up with you and all your mobile needs.*

* Actual battery time may vary depending on network connectivity and application use.

Touch & Shoot

Simply tap an area on-screen to focus on your subject while capturing the photo automatically.

8 MP with Laser Auto Focus Camera

Capture images and videos with laser precision that measures the distance between camera and subject for fast focus and clarity.

1.3 MP Front-Facing Camera with Soft Light

Snap your best selfie—even in low light conditions. The screen softly illuminates for a vibrant shot.

Step 1

Step 2

Gesture Shutter

Take steady selfies without fumbling for buttons—a simple hand motion initiates a three-second countdown.

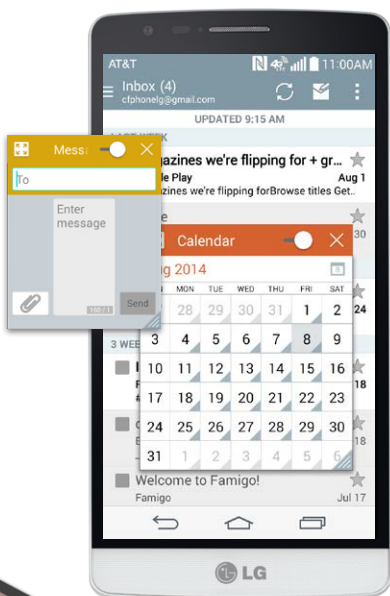

Knock Code™

Wake and unlock your smartphone simultaneously by tapping a secure 3-8 point pattern—with over 86,000 possible code combinations.

QSlide Function

Take multitasking to the next level by layering up to two windows over the main screen, easily adjusting their size and transparency.

QuickMemo® +

Get memos when you need them! Schedule your personalized notes to appear based on a specified time.

Guest Mode

Keep personal info for your eyes only by setting a unique unlock pattern for other users with access to a separate, preset home screen.*

* Some owner/personal content and information may still be accessible to a user in Guest Mode.

Smart Cleaning

Receive alerts of apps that haven't been used in a while so you can free up some space and speed up your phone.

Smart Keyboard

Adjust the layout of the keyboard for personalized use and customized access, providing better one-handed operation.

Smart Personalization
Adjust the height to fit your thumb and palm size.

Seamless Typing
Use word recognition with a swipe up gesture.

Quick Move
Make instant corrections by controlling the cursor.
