TAKE A BETTER BREATH

With easy operation and great features, this LG dehumidifier makes controlling the humidity in your home better than ever. It's designed to remove excess moisture quietly and efficiently, preventing mold, mildew, bacteria, and house damage, while enabling your family to breathe easier. With a dual-speed fan, easy touch controls and easy emptying, your LG dehumidifier will provide long-lasting benefits you can feel.

45 Pints

This LG dehumidifier removes up to 45 pints of moisture from the air in your room during every 24 hour period.

LoDecibel™ Quiet Operation

Reduce noise and vibration while you cool down with our unique LoDecibel™ Quiet Operation technology.

Full Bucket Indicator with Auto Shut-Off

Stop guessing about when to empty water from the unit; a bucket-full indicator light will let you know when it's time. Plus, it's equipped with an automatic shut-off feature that helps prevent overflow.
