

# LG A340

## Functionality at your Fingertips

A STYLISH PHONE – DESIGNED WITH EASE IN MIND

LG A340 is a compact phone with eco-friendly attributes\* that puts the functionality you want in the palm of your hand. Your favorites, on your phone or online, are just a touch away with dedicated keys for Camera, Alarm, Text to Speech, Multitasking, and AT&T Services on the web.

### MULTIMEDIA MESSAGING

Enhance your texts with pictures, video clips, or voice messages and share all your special moments with family and friends.†

### MOBILE WEB

Use att.net to access the web while on the go, and log in to AT&T Social Net to send quick updates to Twitter®, Facebook®, and more.†

### AT&T MUSIC AND APPS

Enjoy commercial-free, personalized radio stations via AT&T Radio\*\*, and get downloadable apps, games, ringtones, and more from AT&T AppCenter®.

### MASTER YOUR MUSIC

With the Music Player, you can play a variety of digital formats, view all songs, or organize your tunes by playlist, artist, album, or genre.

### TEXTS READ TO YOU

With Text to Speech, you don't have to follow the train of texts anymore. A340 allows you to listen to texts as they are read aloud.

### LOUD AND CLEAR

A340 features a Senior Mode for enhanced phone audio.

### PICTURES AND VIDEOS

Capture all the fun, in still life or in motion, with the 1.3 MP Camera and Camcorder.

### STAY CONNECTED

Talk hands-free, transfer files, send contacts or calendar events, and more, all with Bluetooth® wireless technology.

### ECO-FRIENDLY ATTRIBUTES\*

A340 is the first LG device for AT&T to receive UL Platinum certification for meeting the high Sustainable Product certification standard.

\*Phone hardware and packaging include recycled materials.  
†AT&T Wireless service required. Additional charges may apply.  
\*\*Subscription to an eligible data plan required.
