LG G Vista™

Sleek, Stylish Design

The slim, rounded smartphone provides a comfortable one-handed grip while a redesigned Rear Key offers large, textured buttons that improve touch response.

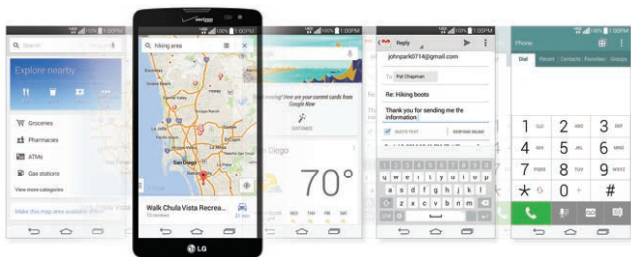

5.7" HD IPS Display

An expansive, vibrant screen showcases your entertainment and on-device productivity in crisp, high-definition clarity—so you catch every detail.

3,200 mAh Removable Battery

The long-lasting battery provides incredible power without contributing extra bulk, allowing you to confidently accomplish every task while on the go.

1.2 GHz Quad-Core Processor

Whether graphic-intensive gaming or work-mode multitasking, this processor will provide a smooth, seamless experience for a life with less glitch.

8 MP Laser Auto Focus Camera

Capture the world around you with a camera that takes clear, precise shots by measuring the distance to its subject using a laser beam.

Use Gesture Shutter on the 1.3 MP front-facing camera to take selfies with a simple hand motion.

Knock Code™

Tap a secure 3-8 point code to instantly access your home screen, with over 86,000 different possible combinations.

Smart Cleaning

Receive alerts of apps and features that haven't been used in a while so you can free up some space and speed up your phone.

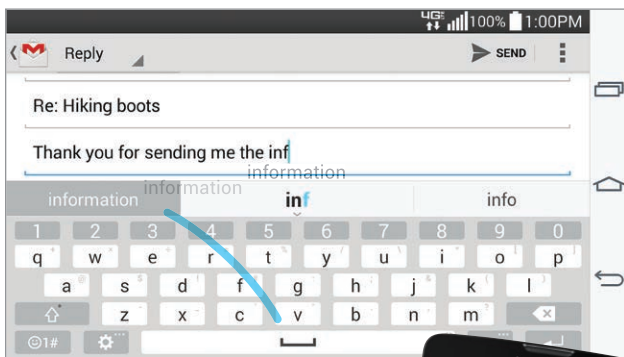

Mini View

Control your smartphone with just a thumb—the large screen can shrink and gravitate towards your palm for easy, one-handed navigation.

Smart Keyboard

Type quickly and efficiently on a keyboard that adapts to you, providing a personal messaging experience with easy-to-use features such as Smart Personalization, Quick Move, and Seamless Typing (pictured below).

Choose words with a simple swipe up gesture.

Dual Window

Divide the sizeable 5.7" screen into separate windows, able to drag and drop content from one to the other, for more effective and efficient multitasking.
