## A WASHER THAT CAN THINQ™ FOR YOU

Washing clothes used to be a chore. Leave it to LG to make it an experience. LG takes 4.7 cu. ft. capacity to the max with the revolutionary performance of WaveForce™. But here's what's really new... Smart ThinQ™ technology\*. With the wi-fi enabled washer and handy smartphone app, you can even monitor your washer remotely and download new and improved wash cycles. Leave it to LG for a revolutionary laundry experience.

- SmartRinse™ Jet Spray System
- SmartDiagnosis™
- SlamProof™ Lid
- TrueBalance™ Anti-Vibration System
- LoDecibel™ Quiet Operation
- SenseClean™
- Delay Wash (Up to 19 Hours)

### Smarter Washing

With its **Smart ThinQ™** technology, you might just wonder if this washer is almost as smart as you. Stay connected with features like Smart Access and Smart Adapt, which allow you to monitor your laundry remotely and download new and improved cycles. The Smart Grid Ready feature automatically runs the washer when electricity rates are lowest. In the unlikely even that you have any problems, SmartDiagnosis™ helps you troubleshoot problems quickly and efficiently.

### Allergiene™ Cycle

Household allergens giving you the sniffles? The **Allergiene™ Cycle** uses the power of steam to gently remove over 95% of common household allergens, like dust mites and pet dander from even the most delicate fabrics.

### Ultra Large Capacity

Towers of towels, piles of sweatshirts, and a mountain of jeans? Go for it. The **Ultra-Capacity (4.7 cu.ft.)** washer lets you do more laundry in fewer loads. That's time saved and sore backs avoided.

\* Internet connection required & sold separately.  
Smart Grid monitoring technology not currently available. May not be compatible with all systems if and when introduced by power companies.  
SmartDiagnosis™ is designed to supplement existing methods of problem identification and may not be able to troubleshoot all issues.
