55"

* Class size: See below for details.

Full HD (1,920 x 1,080)

60Hz

Triple XD Engine

Smart TV

ENERGY STAR® Qualified

KEY FEATURES

PRODUCT HIGHLIGHTS

PRODUCT FEATURES

LED

LED uses tiny, energy-efficient light-emitting diodes to illuminate the picture. The new standard in HDTVs, LED is superior to older CCFL technology, making slimmer televisions possible, with amazing brightness, clarity and color detail.

Full HD 1080p Resolution

This leap forward in picture quality is the reason you wanted HDTV in the first place. Full HD 1080p meets the highest standards for high definition, displaying 1,080 lines of resolution on screen for a clearer, more detailed image that is simply breathtaking.

Smart TV

Easily access premium content* from providers like Hulu Plus®, Netflix® and YouTube®, plus the exclusive LG App Store, all directly from the TV.

*Internet connection & certain subscriptions required and sold separately. Content and services vary by product and are subject to change without notice.
