

## KICK IT UP A NOTCH

Who says serving your family delicious, nutritious homemade meals has to be boring? Kick it up a notch with LG's large capacity range. True Convection preheats faster and lets you bake, brown and crisp to perfection—all while sealing in flavors and juices like a pro. Cleanup? It's a snap—spills and splatters wipe clean in minutes instead of hours, thanks to LG's innovative EasyClean® interior. And with its sleek, ultra-intuitive and easy-to-clean SmoothTouch™ controls, LG puts the power to handle everything from family dinner to a dinner party right at your fingertips.

### EasyClean®

The next generation of oven cleaning, EasyClean™, provides a quick and easy way to clean your oven while still being able to use the conventional self-clean method. Just spray water, and after 20 quick minutes, simply wipe away the mess.\*

### Large Capacity Oven

The size of your oven shouldn't dictate what you can cook or for how many people. This Large Capacity Oven gives you more space so you have the flexibility to cook more dishes at the same time.

### True Convection

LG's True Convection system allows faster preheating and more precise cooking. With a Convection Element, your oven will now reach the ideal cooking temperature faster with more even heat distribution inside.
