Seasonal Heating & Cooling

Whether it's cold in April or hot in October, we've got you covered all year round so you can always feel comfortable at home.

Multiple Cooling/Heating Speeds

Control the temperature of the room at your pace with our multiple heating and cooling options.

4-Way Air Direction

Enjoy the cool air even more with our 4-way air direction. By adjusting the deflection, air is directed up, down, left or right to move the air where it's needed most.
