OVERVIEW

This super sleek sound bar will look great and take your movies, music, and entertainment to a whole new level. Hear wide, spacious sound from just one slim speaker and wireless subwoofer. With Bluetooth®, you can easily hear music from your compatible smartphone or tablet through your sound bar. And with a supplied wall bracket you have the option to mount the sound bar anywhere on your way. Great Sound, Small Package.

HIGHLIGHTS

4.1 CHANNEL AUDIO

Make all of your movies and music come alive as never before, with 4.1-channel sound. An ideal premium audio solution for compact spaces, these four specially engineered speakers plus subwoofer create a thrilling virtual surround effect from a single cabinet.

WIRELESS SUBWOOFER

Add sharp sonic kick and thunderous power to all of your entertainment with our wireless subwoofer. It's easy to set up, and you won't need to run a wire to connect it to your audio system.

BLUETOOTH

Wirelessly stream music directly from your smartphone or other compatible device for a seamless listening experience.
