- 10M:1 Digital Fine Contrast Ratio
- ENERGY STAR® Qualified

GREAT PICTURE QUALITY

The LG EA63 LED monitor features the immersive Cinema Screen design with an ultra narrow bezel and an IPS panel that helps keep image colors consistent at virtually any angle. Want stunning resolution? No, problem. The EA63 is a Full HD monitor and Super Resolution+ helps decrease image blur and degradation.

CINEMA SCREEN

LG's Cinema Screen features an elegant, groundbreaking design that looks beautiful, on or off with its ultra narrow bezel. See it yourself!

IPS PANEL

Super In Plane Switching or Super IPS controls the liquid crystal display to help keep distortion at a minimum and allows users to view images on the screen at virtually any angle.

LED BACKLIGHTING

Want deeper blacks and richer colors? LG's LED technology provides even greater control of brightness and delivers better contrast, amazing clarity and color detail, as well as greater energy efficiency compared to conventional LCD Monitors.
