Getting to Know Your Phone

QWERTY Keyboard

Calls

LG Freedom has a responsive touch screen that makes dialing phone numbers quick and easy.

Make a Phone Call

1. From the home screen, touch .
2. Dial the number or start spelling the name of the desired contact. You will see a list of contact options. Touch  to expand the list.
3. Touch a contact name to place the call.

Messages

When you need to communicate privately, send a text message.

Send a Message

1. Slide open the keyboard.
2. Press .
3. In the **To** field, enter a number or a contact name or touch **Add Contact** to select a name from your contact list.
4. Touch the **Text** field and enter your message.
5. Touch **Send** to send the message.

NOTE Please don't text and drive.

Personalize

Customize your phone by changing ringtones and alert sounds for a more personal touch.

Adjust Volume

1. To adjust the master volume, from the home screen, press .

Change Ringtone

1. From the home screen, touch  > **Settings** > **Sounds Settings** > **Call Sounds** > **Call Ringtone** > **All Calls** > **Default Ringtones**.
2. Touch a ringtone to select it.

Email

Freedom provides support for a variety of email accounts.

Set up an Account

1. Before you begin, you must download the email app from **easyedge**™ and launch the app from the home screen. Touch  > **easyedge** > **Mobile Email**.
2. Read the information and touch **Next**.
3. Touch an account type, enter your email address and password, and touch **Next**.
4. Touch **No Thanks** to be taken to your email inbox.

Contacts

Freedom has plenty of space to store your contacts' information.

Add a Contact

1. From the home screen, touch .
2. Touch **New** to add a contact.
3. Touch each field and enter the contact's information.
4. Touch **Save** to save the contact.

My Contacts Backup

Use My Contacts Backup to automatically back up your mobile contacts to your online address book.

1. From the home screen, touch  > **My Contacts Backup**.
2. Touch **Next** > **Yes** > **Yes**.
3. Enter a PIN (password) and touch **OK**.
4. Touch **Yes** to back up your contacts.
5. Touch **OK**. You can use your phone number and PIN to log into your account online.

Camera and Camcorder

Capture every moment with the 2.0 megapixel camera and camcorder.

Take a Photo

1. From the home screen, press and hold .
2. Press  or touch  to take a photo.
3. Touch **View** to return to the camera viewfinder.

Record a Video

1. From the home screen, press and hold  and touch **Video**.
2. Press  to begin recording; press it again to stop.

Social Scene

Social Scene from U.S. Cellular helps you keep your friends close with Facebook®, Twitter®, and more. Social Scene brings your social media together in a single app (plus Gmail,™ Google Talk,™ and live news feeds if you want them), so you can see the latest posts, share updates and photos, and keep in touch your way. Social Scene is convenient and easy to use, and helps you stay connected to your friends, your family, and the world.

You can download Social Scene from your phone's **easyedge** catalog with just a few clicks. It's a free download and there is no subscription fee, but do be aware that any applicable data charges will apply for use, depending on your plan.

Browsing

Browse the web with ease on Freedom.

Browse the Web

1. From the home screen, touch  > **Browser** > **Launch**.
2. Swipe up and down to scroll on the page. To go to a website, touch **Menu** > **Go to URL**.
