A User Guide is available on demand—simply download at [support.vzw.com/phones](http://support.vzw.com/phones) or call **1-877-268-7589** to order a copy.

## Phone Features

NOTE: Devices and software are constantly evolving—the screen images and icons you see here are for reference only.

WARNING! Please use only an approved charging accessory to charge your device. Improper handling of the Accessory/Charger Port, as well as the use of an incompatible charger, may cause damage to your device and void the warranty.

## Setting Up Your Phone

### Step 1. Remove the Back Cover

Use the fingertip cutout at the bottom of the phone to pull the back cover off.

### Step 2. Insert the Battery

Align the battery contacts with the terminals in the battery compartment and push the battery down until it clicks into place.

### Step 3. Replace the Back Cover

Place the back cover over the battery compartment, then press it downward until it clicks into place.

### Step 4. Charge the Phone

Your device comes with a Wall/USB charger and a USB cable which connect together to charge your phone.

Before turning on your phone, charge it fully.

NOTE: Please make sure that the "USB" side faces up before inserting a charger or USB cable into the Accessory/Charger Port of your phone.

### Optional: Insert the microSD Card

If you have a microSD card, slide the microSD card into the microSD card slot located under the back cover.

### Powering your phone on/off

**PWR END** Press and hold the PWR/END Key until the screen lights up.

**PWR END** Press and hold the PWR/END Key until the display turns off.

### Making a Call

Open the flip and enter the phone number using the keypad.

**SEND** Press the SEND Key to dial the number.

**PWR END** Press the PWR/END Key to end the call.

NOTE: Your phone has a Voice Commands feature that also lets you make calls by saying a phone number or Contact name. To access it, press **CLR** and say **Call** followed by the name or number.

### Receiving a Call

When the phone rings or vibrates, you can answer the call by simply opening the flip.

**—** **[Quiet]** Press the Left Soft Key to mute the ringing or vibration for that call.

**—** **[Ignore]** Press the Right Soft Key to end the call and send the caller directly to Voicemail.

**OK** **[TXT]** Press to end the call and send a quick text message.

**PWR END** Press the PWR/END Key to end the call, or simply close the flip.

### Set Up Voice Mail

Dial **\*86 (\*VM)**.

**SEND** Press send.

Follow the setup tutorial.

## Access Voice Mail

From your phone—Dial **\*86 (\*VM)**.

 Press send.

Follow the prompts.

From any phone—Dial your wireless number. When you hear the greeting, press **#** to interrupt, then follow the prompts.

NOTE: Voice mailboxes not set up within 45 days will be canceled. Your voice mailbox is not password protected until you create a password by following the setup tutorial.

## Ringtones

1. Open the flip and press  [MENU].
2. Press  **Media Center**.
3. Press  **Music & Tones**.
4. Press  **My Ringtones**.
5. Use the Directional Key  to highlight a ringtone and press the Left Soft Key  [Set As]. You can press  [PLAY] to preview the ringtone.

## Turning Bluetooth® on/off

1. Open the flip and press  [MENU].
2. Press  **Settings & Tools**.
3. Press  **Bluetooth Menu**.

4. Press the Left Soft Key  [Turn On].
5. Place your device in Discoverable Mode.
6. Select **Add New Device** and press  **OK**.
7. A list of found device(s) will be displayed. Press  to select a Bluetooth device. Press  to **PAIR** the device.

NOTE: Depending on the type of device you are pairing with, you will be asked to enter a passkey, confirm matching passkeys, or the device will automatically pair.

## Text Messaging

Talk with your fingers. Make a bold statement with the touch of a button. For rates and complete information go to [verizonwireless.com/messaging](http://verizonwireless.com/messaging).

1. Open the flip and press the Left Soft Key  [Message].
2. Press  **New Message**.
3. Enter the phone number or email address of the recipient. You can enter up to 20 addresses for a single message.

NOTE: If you enter a phone number or email address saved in your contacts, the contact name will appear in the To field.

4. Press the Directional Key  downward to access the Text field.
5. Type your message.

6. Press  [SEND] to send your message.

## Camera

Take pictures that you can send to virtually any wireless number or email address. Snap a photo and send as a picture message.

1. Open the flip and press the **Camera Key** .
2. Press  [TAKE] or the **Camera Key**  to take the picture.
3. After taking the picture, select from the following options.
  - Press the Left Soft Key  [Save] to save the picture.
  - Press  [SEND] to send the picture to others.
  - Press the Right Soft Key  [Erase] to erase the picture.

## Backup Assistant<sup>SM</sup>

You can save your phone's address book to a secure server. If your phone is lost or damaged, or if you upgrade to a new phone, Backup Assistant will restore your contacts. Go to [verizonwireless.com/baplus](http://verizonwireless.com/baplus).

NOTE: Subject to specific terms of use. See [verizonwireless.com/baplus](http://verizonwireless.com/baplus) for details.

## Apps & More

Play it up with music, ringtones, wallpapers, apps and games. For details and pricing, go to [verizonwireless.com](http://verizonwireless.com).

## Verizon SafeGuards

Family and Safety Apps & Services. Get the most robust parental controls. Go to [verizonwireless.com/safeguards](http://verizonwireless.com/safeguards).

## Location Based Services

This phone can determine its location, which is useful for services such as navigation, shopping and weather. For your safety, it's defaulted to only acquire your location when you dial 911. To use Location Based Services, with the flip open, press  [MENU] >  **Settings & Tools** >  **Phone Settings** >  **Location**.

Your wireless device can determine its (and your) physical, geographical location ("Location Information") and can associate Location Information with other data. Additionally, certain applications, services and programs are capable of accessing, collecting, storing and using Location Information and disclosing Location Information to others. You should use caution when determining whether or not Location Information should be made available to others and you should review any applicable third party policies before providing access. To limit potential unauthorized access to your Location Information, Verizon Wireless offers various mechanisms and settings to manage access to location data. By enabling location settings you are permitting third party access to Location Information through software, widgets or peripheral components you choose to download, add or attach to your wireless device or through web access, messaging capabilities or other means and you are authorizing Verizon Wireless to collect, use and disclose your Location Information as appropriate to provide you with any location services that you enabled.

## Customer Information

### Your Wireless Device and Third Party Services

Verizon Wireless is the mobile carrier associated with this wireless device, but many services and features offered through this wireless device are provided by or in conjunction with third parties. Verizon Wireless is not responsible for your use of this wireless device or any non-Verizon Wireless applications, services and products including any personal information you choose to use, submit or share with others. Specific third party terms and conditions, terms of use, and privacy policies shall apply. Please review carefully all applicable terms and conditions and policies prior to using this wireless device and any associated application, product or service.

### Hearing Aid Compatibility Information

This phone has been tested and rated for use with hearing aids for some of the wireless technologies that it uses. However, there may be some newer wireless technologies used in this phone that have not been tested yet for use with hearing aids. It is important to try the different features of this phone thoroughly and in different locations, using your hearing aid or cochlear implant, to determine if you hear any interfering noise. Consult your service provider or the manufacturer of this phone for information on hearing aid compatibility. If you have questions about return or exchange policies, consult your service provider or phone retailer.
