

LG VOLT™

*Power
and Speed
Redefined.*

With LG, it's all possible.™

LG
Life's Good

*Experience a performance
that puts you in control.*

Imagine a world with nonstop entertainment, available anytime you want it. With the LG Volt, have the power to stream videos and browse social sites on a smartphone that delivers sharp, vivid colors all day long on its 4.7" IPS display. And while you're putting an end to dull moments, capture and share all the fun ones with the built-in 8 MP camera. But, do be warned – with great power comes great envy.

LG VOLT™

Expansive 4.7" qHD IPS Display with Durable Corning® Gorilla® Glass 2

Experience all of your favorite media on a durable and sustainable touchscreen that delivers brilliant true-to-life color in exquisite detail.

Nationwide Sprint® **4G**
4G LTE Network **LTE**

Enjoy mobile Internet in seconds that's powerful enough for you to stream videos and play games at lightning-fast speeds.

Knock Code™

Get quick, secure access to your phone by tapping your personalized 2-8 point passcode pattern anywhere on the screen.

KNOCKcode

Presets a secure code that will unlock the phone with over 80,000 possible combinations.

8 MP BSI Camera with Full HD Video Capture (1.3 MP Front-Facing Camera)

Capture clear, vibrantly colored pictures and full HD videos that you can easily share with friends and family.

1.2 GHz Quad-Core Processor

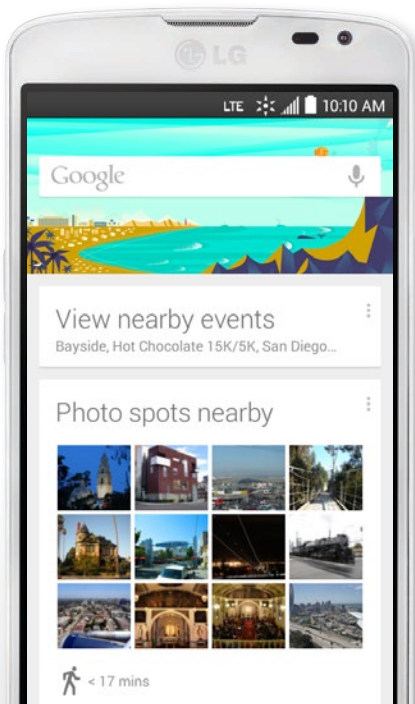

Get all the entertainment you can handle with a processor that offers seamless performance and power while on the go.

Qualcomm
snapdragon 

Android™ 4.4 KitKat

Swiftly browse through your phone with a user interface that offers a more polished design, improved performance, and new features.

QSlide Function

Get quick access to Videos, Memo, Calendar, Browser, and Calculator all at the same time so you can multitask with ease.

3,000 mAh Battery

For those who rely on their phone the most, the LG Volt battery is both removable and strong enough to handle up to 24 hours of talk time.

BATTERY
Lithium Ion 3,000 mAh

Guest Mode

Directly access Guest Mode with a predetermined unlock pattern, giving you peace of mind when sharing your phone with others.

Create a separate unlock screen pattern for guests with preset access and restrictions to certain apps.

*Some owner/personal content and information may still be accessible to a user in Guest Mode.

QuickRemote

Turn your LG Volt into a remote control for your multiple-room, home entertainment systems including your TV and cable box.

Next Radio*

Tune in to any of your favorite local FM radio stations and get song and artist information, share online, or purchase right from your phone.

*Headset required, sold separately.

QuickWindow™*

The premium protective case provides convenient, direct access to select functions without even opening the cover.

Listen to music, check the weather, answer an incoming call, or see a variety of different clocks

*QuickWindow case sold separately.
