# LG G Vista™

## Sleek, Stylish Design

The slim, rounded smartphone provides a comfortable one-handed grip while a redesigned Rear Key offers large, textured buttons that improve touch response.

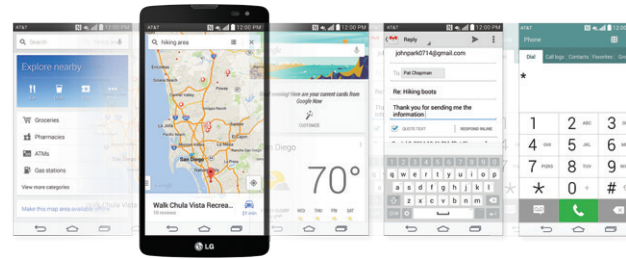

## 5.7" HD IPS Display

An expansive, vibrant screen showcases your entertainment and on-device productivity in crisp, high-definition clarity—so you catch every detail.

## 3,200 mAh Removable Battery

The long-lasting battery provides incredible power without contributing extra bulk, allowing you to confidently accomplish every task while on the go.

## 1.2 GHz Quad-Core Processor

Whether graphic-intensive gaming or work-mode multitasking, this processor will provide a smooth, seamless experience.

## 8 MP Laser Auto Focus Camera

Capture the world around you with a camera that takes clear, precise shots by measuring the distance to its subject using a laser beam.

Use Gesture Shutter on the 1.3 MP front-facing camera to take selfies with a simple hand motion.

## Knock Code™

Wake and unlock your smartphone simultaneously by tapping a secure 3-8 point code—with over 86,000 different possible combinations.

## Smart Cleaning

Receive alerts of apps and features that haven't been used in a while so you can free up some memory and speed up your phone.

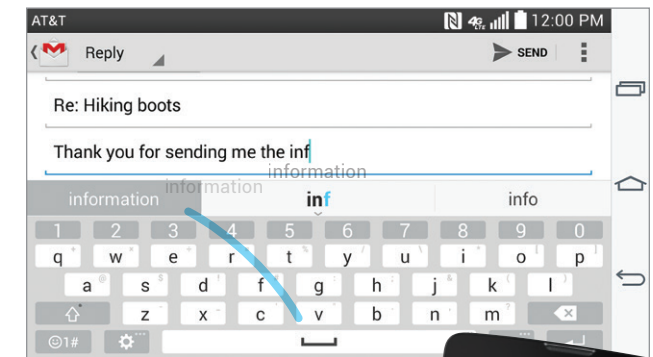

## Mini View

Control your smartphone with just a thumb—the large screen can shrink and gravitate towards your palm for easy, one-handed navigation.

## Smart Keyboard

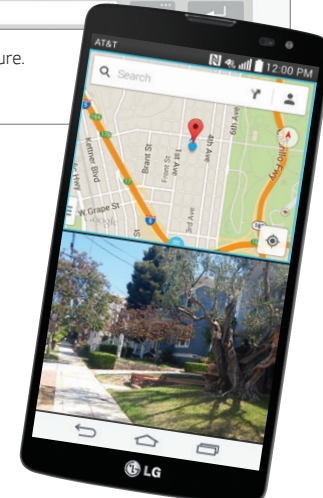

Type quickly and efficiently on a keyboard that adapts to you, providing a personal messaging experience with easy-to-use features such as Smart Personalization, Quick Move, and Seamless Typing (pictured below).

Choose words with a simple swipe up gesture.

## Dual Window

Divide the sizeable 5.7" screen into separate windows, able to drag and drop content from one to the other, for more effective and efficient multitasking.
