Stylish Design

Discover a form-fitted device with a thoughtful design inspired by human engineering—featuring a convenient **QuickButton**, an informative **Home Button LED**, and a sleek back cover with a reflective gradation pattern in sophisticated indigo black.

True-to-Nature Display

Be wowed by the bright and clear performance of Optimus F6's **4.5" qHD IPS display**, providing a genuine viewing experience with true-to-nature color, lifelike images, and superior readability.

IPS

Long-Lasting Battery

Optimus F6 comes backed by a reliable **2,460 mAh SiO+ battery** with up to 8 hours* of talk time, so you can make the most of every day that's spent on-the-go.

SiO+ High Density Technology provides maximum electrical storage capacity, increasing usage time while contributing no additional bulk.

* Actual talk time may vary.

Genius Camera

Make sure every moment captured ends up mantelpiece-worthy with Optimus F6's dynamic camera, packed with advanced creative features made to fine-tune all of your best memories.

Pause & Resume
Capture only the scenes you want while shooting a single, seamless video with **Pause & Resume**.

HD Camcorder
Record your greatest moments while capturing the smallest details with **1080p Full HD video recording**.

Time Catch Shot
Pick the best photo with **Time Catch Shot**, capturing five pictures the moment before the shutter button is pressed.

Voice Shutter
Simply say "Cheese!" with **Voice Shutter**, letting you snap a photo using just your voice.

Live Shot
With **Live Shot**, take pictures while recording video, giving you the best of both worlds.

Live Zooming
Zoom in and out of video during playback with **Live Zooming**, letting you bring details up close.

VuTalk

Share a moment with family and friends using the creative communication of **VuTalk**, allowing you to send handwritten messages and notes back and forth in real time or while on a call.*

* No voice call required. VuTalk offers simultaneous data and voice sharing when both devices are in 4G+ coverage or connected to a Wi-Fi network.

QuickMemo™

Instantly capture and share your ideas, notes, or unique sense of creativity by writing or drawing on any screen cap with just your finger, **QuickMemo**, and a little imagination.

On-Call Notes

Keep track of important thoughts and ideas while on a call. With **On-Call Notes**, simply access the QuickMemo app to jot down notes, and then save those notes to that corresponding call in the Call Log for later access.

QSlide

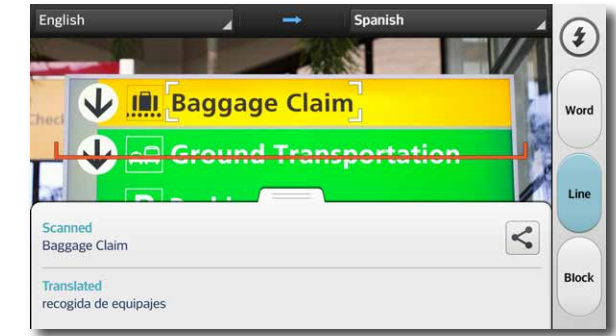

View multiple screens at once with **QSlide**, letting you see and accomplish more by adjusting window size and transparency.

• Float up to two additional windows on top of the original screen, including: Videos, Memo, Calendar, Browser and Calculator.

QuickTranslator

Travel near or far with confidence, knowing that language differences will no longer be a barrier. Translate the words or sentences of 44 languages directly on-screen with **QuickTranslator**.

QuickRemote™

Use Optimus F6 for one-stop convenience to control your TV and cable set top box in any room, with **QuickRemote's** ability to act as a programmable remote.
