LET YOUR SPIRIT MOVE YOU.

When you live with Spirit, any day can be extraordinary. Your life is a flurry of activity and you need a powerful smartphone that lets you get through the day with style, while staying connected to the people and things that matter to you most. LG Spirit™ 4G gives you the power to capture, store and share your best memories, organize your personal and professional life with ease, add a personal touch to correspondence, and make the most of every moment. You've already got spirit. Now, it's time to get going.

# LG Spirit™ 4G

## Start with style.

You begin every day with fashion in mind, and LG Spirit 4G is the perfect device to complement your personal style. At just .37" thin, it fits just about anywhere and with sleek detailing and a unique textured back that goes with anything — it gives you a designer-styled edge.

## Brighten your world.

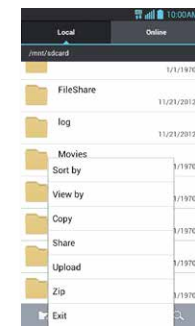

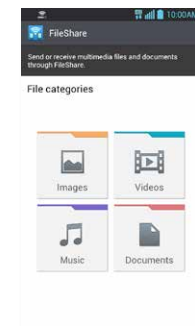

Immerse yourself in color with LG Spirit 4G's big, bright 4.5" screen, and True Color IPS Display. Catch the morning weather report in true-to-life hues. Browse the news in crisp detail. Or stream videos of vivid imagery. It looks like this is going to be a good day.

## Live with energy.

Stream live music while you browse the ski report. Check your E-mail from the slopes. Send pics in seconds. LG Spirit 4G's long-lasting 2,150 mAh battery allows you to power through the day with an energizing exuberance. And, with a 1.2 GHZ dual-core processor and 4G<sup>LTE</sup>, you can use more features at once, while doing it all at lightning-fast speed\*.

\* 4G<sup>LTE</sup> connectivity required and sold separately. May not be available in all areas.

## Keep it all.

Store, sort and share more, with ease. Send photos from your weekend getaway in the mountains. Save videos of your adventures in the city. Organize documents, files and attachments from your business and personal life. LG Spirit 4G is designed for those who love to make memories, with File Sharing and File Manager.

- **File Share** lets you share photos, videos, documents and more—faster, by using Wi-Fi® Direct to transfer files to another file sharing-enabled device.
- **File Manager** gives you PC-like power to organize your local files and those stored online. You can move, share, sort, upload and copy files, and even compress them into a zip file from your virtual desktop.
- LG Spirit 4G also has **4GB of internal storage**, and **up to 32GB of removable microSD storage** (sold separately).

## Capture more.

Share a memorable face-to-face chat with a long-distance relative. Fit the entire stadium into a single shot. Record a record-breaking play at the perfect moment. And take frame-worthy pics while you're filming the action. LG Spirit 4G's 1.3MP front-facing camera and 5MP rear-facing camera with advanced features lets you record scenes that look as amazing as they felt when you were there.

- **Live Shot** takes still photos while recording video.
- **Time Catch Shot** takes several pictures the moment before you press the button.
- **Cheese Shutter** lets you take a picture by simply saying 'cheese!'
- **Panorama Shot** lets you capture incredible panoramic views, by pressing one button and panning while the camera does the rest.

While using Panorama Shot, pan the scenery and LG Spirit 4G will do the rest.

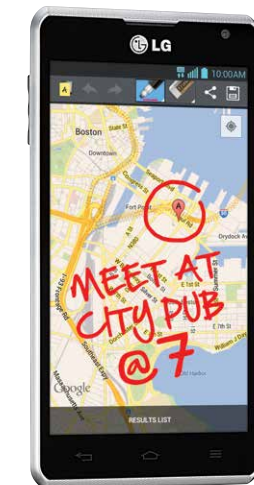

## Be fresh.

Amp up your performance with a crisp, clean, customized user experience that makes everyday tasks easier than ever before — and gives you new features to love even more. Your life is packed with action, and with Android™ 4.0 Ice Cream Sandwich, you're in control. Unlock your phone with facial recognition technology, review and clear notifications with a swipe of the finger, plus more. It's your move.

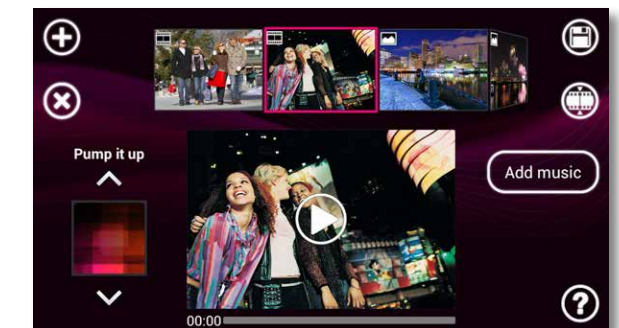

## Get creative.

Make someone's night with a personalized invite. Send hand-drawn directions in a snap. Share photos with creative flair. QuickMemo™ lets you write or draw on any screen shot using only your finger. Or add the URL address when you capture an image from a website. Go ahead. Get creative.

## Call the shots.

Your life ought to be a movie — so why not shoot it in style? Turn a fun night into an event that lasts forever with 1080p HD video capture featuring Video Wiz, the 'cinematic' video creator. You can weave in photos from throughout the evening, add music to set the mood, choose a theme, and make it yours.
