Image matters—and with LG Optimus L9's 4.5" qHD display and Corning® Gorilla® Glass 2 protection, the images that matter to you will look as fabulous on-screen as they do in real life, with the durability to handle your on-the-move lifestyle.

Corning Gorilla Glass 2 is 20% thinner and offers better touch sensitivity than its predecessor.

Sleek, well-defined lines. Eye-catching metallic details. Super-slim profile. Optimus L9 is the perfect companion for the style-conscious and fashion-forward. At 0.36" slim, it easily slips into your pocket or purse.
