

LG **VIPER™ 4GLTE**

Parenting at the speed of 4G

Being a "do-it-all-er" parent is an exhausting job! And, like most other hard-working parents, you simply want a little extra time at the end of your day to focus on what's most important...family. With all that's going on, what's really needed is a powerful, multifunctional device to streamline tasks and maximize productivity, while also providing opportunities to entertain and interact with family. LG Viper™ answers that call with its robust set of entertainment and multitasking features, plus a ton of productivity power packed into a sleek body. It is hands down the absolute essential smartphone for those navigating both life and parenthood.

Hard-working features for the parent on the go

LG **VIPER[™] 4GLTE**

Every Second Counts

With 4G LTE speed, 1 GB of RAM, and a 1.2 GHz dual-core processor, on-device actions happen at lightning speeds, which equates to more productivity in less time!

Make Life Easy

Built on the Android[™] Platform with Google[™] apps designed to work together in harmony, users enjoy synced access to their favorite services – calendar, IMs, contacts, and Gmail.[™] And now with your Viper[™] receive a minimum \$25 credit¹ on Google Wallet[™] and 50 GB² or more of Box[®] storage for free, making payments and saving docs and files a snap.

Capture Each Moment

Whether using the front-facing camera for video chat, or the 5MP rear-facing camera to capture images and record 1080p HD videos of your kids. And, the 4" bright and clear display, is great for reliving those memories, even in direct sunlight.

Build Their Best Memories

At the end of the day you can relax and enjoy family time with the interactive and personalized Life's Good Fairytales³, where you can design the storyline, play key characters, and create everlasting moments.
