

LG optimus L90

*Do Everything
You Imagine*

With LG, it's all possible.™

T-Mobile®

LG

Life's Good

A woman with long brown hair and glasses, wearing a white sleeveless top, is leaning over a desk and pointing at a laptop screen. A man with a beard, wearing a blue and white checkered shirt and a dark tie, is sitting at the desk, looking up at her. The background shows a bright office with large windows overlooking a city skyline.

LG optimus L90

Find inspiration where creativity and productivity coexist. The LG Optimus L90 is a multi-talented smartphone that's sleek and sophisticated on the outside, yet strong and sturdy on the inside. It is the device you can rely on throughout the day, providing a powerful performance on a stunning 4.7" IPS Display. With the Optimus L90 in hand, you can finally do everything you imagine—and more.

LG Optimus L90

Sleek Design

Comfortable, classy, and the perfect fit for both your hand and unique style.

Narrow Bezel

Multi-reflection gradation back pattern

4.7" qHD IPS Display

Artistry, on display. Accurate, vivid colors come to life on the amazing, expansive screen.

5 Megapixel Autofocus Camera

Shine the spotlight on every moment. Capture bright imagery—both day and night.

Wake your phone using just a fingertip, tapping the screen twice to turn it on or off.

Tap twice to wake the display; tap twice on an empty area or the task bar to put it to sleep

Powerful 1.2 GHz Quad-Core Processor

Long-Lasting 2,460 mAh Battery

T-Mobile 4G Network

Talk, text, browse, and stream all day—this device has the power and connectivity for superior performance.

QuickMemo™

Let imagination conquer. Add a caption to pictures or draw in directions on a map.

Music, Videos, or any other audio-related apps will appear instantly on-screen

Write or draw on any screen using a finger

Plug & Pop

Plug in a pair of headphones and instantly access the features you want.

QSlide Function & QuickTranslator

Be productive and creative—simultaneously.

Multitask by layering up to three apps with QSlide Function.

Eliminate language barriers using QuickTranslator.

Choose up to 2 windows to overlay on the original screen; adjust window size and transparency

Capture an image and receive real-time translations on the screen

Guest Mode

Share your phone with confidence by keying in a preset unlock pattern for other users.*

Create a separate unlock screen pattern for guests with pre-set access and restrictions to certain apps

*Some owner/personal content and information may still be accessible to a user in Guest Mode.
