

## M237WD-PM

23" Widescreen Multi-Function LCD Monitor/TV  
(23.0" diagonal)

Delivering on the promise of computer and home entertainment convergence is the M237WD Monitor/Television. Incorporating a full compliment of television and computer connectivity into a stylish 1080p Full HD display, the M237WD provides perfect balance between the needs of today's television aficionados and power computing professionals. The M237WD's built-in stereo speakers, ATSC digital television tuner and universal remote control provide the features found in today's flat-panel televisions, while 5ms refresh rate and 20,000:1 dynamic contrast ratio deliver image quality and precision until now only found on computer displays. Bridging the gap between the needs of an every-day television or computer monitor, the M237WD.
