Weight with stand (without stand)	54.5kg (52.4kg)
VESA Size	600 x 400

WARRANTY

1 Year Warranty - Parts and Labour

EAN

8806087202649

ENERGY STAR RATING

6 Stars

FURTHER INFORMATION

[^] Recommended Retail Price (RRP). Prices subject to change and does not include retailer charges.

¹ Motion Clarity Index (MCI) is a dynamic indicator of the clarity of motion on LG TVs. MCI is achieved using technologies available within the product to reduce blur in fast moving content like action movies and sports. A higher number indicates greater reduction.

² FreeviewPlus uses HbbTV technology which combines broadcast and broadband. Internet connection is required. Data usage charges and conditions apply.

³ Internet connection required. Internet usage charges and conditions apply. WebOS internet browser supports HTML5, VP9 and HEVC.

⁴ Voice recognition feature is not available in all languages and dialects. Actual performance may vary depending on the language spoken and surrounding environment including ambient noise.

⁵ Miracast compatible Android device required for this feature.

⁶ Dedicated USB Hard Drive (min. 40GB) required for longer recordings and live playback function (sold separately). Internal memory capacity is 8GB.

⁷ Intel WiDi enabled PC must be in range of the TV.

⁸ LG TV Plus* on compatible Android devices (Android 4.1+). Phone must be in range, on the same Wi-Fi network as the TV.

⁹ Some brands not supported, check product for details.

¹⁰ Uses Bluetooth 4.0 technology to send audio to compatible LG home audio products

¹¹ Netflix provides content in SD, HD and 4K Ultra HD. Netflix requires a steady internet connection speed of at least 25Mbps to stream 4K Ultra HD content, otherwise content will be downscaled to either HD or SD quality based on the available bandwidth. Speeds of 25Mbps available in limited locations and may vary depending on time of day. Please check with your internet service provider to confirm the bandwidth speed for your connection. Data usage charges apply.

¹² HDMI Port 1 supports HDCP 2.2 and 60fps @ 2160p.

All product specifications correct at time of printing. Specifications may change without prior notice. Customers are advised to check with your retailer before purchase.

Launch Details

Available: May 2015
79" RRP^: \$9499

LG's Next Generation 4K Ultra HD TV range has arrived in 2015!

With a powerful Quad Core Processor, 6-Step Upscaler, webOS 2.0 Smart+ TV and ULTRA Luminance Technology, the UF770T series sets the trend for viewing pleasure. It's a breathtaking viewing experience with incredibly crisp vision, even when viewed from close distances. With over 8 million pixels and four times the definition of Full HD, you'll really notice the 4K Ultra HD difference.

With the 2015 6-Step Upscaler, all content is powerfully upscaled for clearer, more striking images.

ULTRA Luminance Technology enhances the lightest and darkest parts of the displayed content. It's achieved by adjusting the backlight zones to optimise image luminance, boosting image luminance.

The local dimming LED backlights deliver enhanced image contrast.

It also features webOS 2.0, our Smart TV operating system that's been updated in 2015 for even quicker and simpler access to content you love most* (including Netflix!). Uniquely engineered, it's Smart TV made simple.

**Internet connection required. Internet usage charges and conditions apply. Contents and features will vary from time to time without notice. WebOS internet browser supports HTML5, VP9 and HEVC.*

6-Step Upscaling

Upscale non-4K ULTRA HD content
The 4K ULTRA HD Engine upscaler enhances the detail of non-4K ULTRA HD content in 6 stages to augment the image clarity closer to ULTRA HD quality.

LG webOS Smart+ TV

LG webOS Smart+ TV - quick and simple access to the content you love most. Uniquely engineered, it's Smart TV made simple.

Magic Remote

Pointing, Wheel, and Voice – an easy yet highly advanced TV remote.
