 yet highly
 advanced
 TV remote

Voice Interaction

Speak to your Magic Remote to find search content and control popular functions. If you want to search for something in the online browser, simply speak into the Magic Remote and watch the text appear on the screen. And the cool thing is that this Voice Recognition works superbly with Australian accents. You beauty!

Number Keys

For an easy input of numbers.

Simple Navigation

Just point and click - a smart remote for your Smart TV. Scroll up and down, zoom in and out with a wheel - just like using a computer mouse.
