Bluetooth® Music Streaming

Enjoy your favourite music on mobile devices through the mini system with wireless audio streaming via Bluetooth® technology.

Bluetooth Multi-point (up to 3 devices simultaneously)

Pair up to 3 devices simultaneously (including phones, tablets or PCs). So friends can play their music one-after the other, without going through the disconnecting or connecting process.

**Music Flow Bluetooth® (Android 4.0.3+) and (iOS 6.1+) required and phone must be within Bluetooth® connection range.*

DJ Effects

Add Flanging, Phasing, Wah and Delay sound effects to songs playing back from your USB drives. In addition turntable scratch effects can be added during song changes.

DJ Pro

Take control with DJ Pro. Spice up your music with 6 fun pre-set sound effects, plus you can create 3 personalised sound effects to liven up your party.

Karaoke Features

Sing^o along to any track! Voice Canceller reduces the existing song's vocals, so that your voice can be heard more clearly. Key Changer adjusts the pitch of the song to suit your voice!

**Microphone not supplied*

Sound Sync Wireless (to LG TVs)

Connect your Sound Bar to your Smart LG TV[^] wirelessly via Bluetooth®.

^ Magic Remote required to enable this feature
