- ✓ 450L Capacity
- ✓ Dark Graphite Finish
- ✓ 3 x Tempered Glass Shelves
- ✓ R600a Refrigerant

Inverter Compressor

LG Inverter Compressor uses inverter technology in the compressor system which achieves a 3.5 star energy rating.
LG 10 Year Parts Warranty - as this is the heart of your refrigerator we back this with a 10 year parts warranty on the compressor.
 * 2 Years parts and labour + 3 years on sealed refrigeration system (compressor, evaporator, dryer and tubing) parts only + 5 years on compressor (part only)

Smart Diagnosis® 2.0

LG Smart Diagnosis® 2.0 allows the Refrigerator to talk for itself. If an error occurs, you can use the LG App or make a phone call to the LG Customer Information Centre. A diagnosis can then be made resulting in less wasted time, less inconvenience and unnecessary call outs.
 * LG Smart Diagnosis app Required (Android 2.2+, iOS 4.3+)

BioShield™ Door Seals

LG Bioshield - Door seals on LG refrigerators contain anti-bacterial agents that help prevent the growth of bacteria and mould. These agents help to protect and maintain the integrity of the door seals.

Moisture Balance Crisper

LG Moisture Balance Crisper maintains the moisture balance in the crisper. The lid of the crisper has a lattice structure that retains evaporated moisture from vegetables, to help keep them fresher for longer.
