Inverter Linear Compressor

LG's Inverter Linear Compressor offers greater control of energy consumption, with less vibration and less noise than a conventional compressor system.

LG's 10 Year Parts Warranty - as this is the heart of your refrigerator we back this with a 10 year parts warranty on the compressor.

* 2 Years parts and labour + 3 years on sealed refrigeration system (compressor, evaporator, dryer and tubing) parts only + 5 years on compressor (part only)

One Touch Home Bar

LG's One Touch Home Bar - at the press of the Home Bar, get quick access to your refreshments. Great for storing your juice, milk and those every day beverages. The Home Bar minimises cold air escape due to you not needing to open the whole door.

Moisture Balance Crisper

LG's Moisture Balance Crisper maintains the moisture balance in the crisper. The lid of the crisper has a lattice structure that retains evaporated moisture from fruit and vegetables, to help keep them fresher for longer.
