- ✓ Pure N Fresh
- ✓ Inverter Linear Compressor with 10 year parts warranty
- ✓ Smart Diagnosis
- ✓ R600a Refrigerant
- ✓ BioShield
- ✓ 2½ Star Energy Rating

### Inverter Linear Compressor

LG's **Inverter Linear Compressor** offers greater control of temperature, with less vibration and less noise than a conventional compressor system.

**LG's 10 Year Parts Warranty** - as this is the heart of your refrigerator we back this with a 10 year parts warranty on the compressor.

\* 2 Years parts and labour + 3 years on sealed refrigeration system (compressor, evaporator, dryer and tubing) parts only + 5 years on compressor (part only)

### Door-In-Door™

With LG's **Innovative Door-In-Door** feature you can conveniently locate and grab your favourite snacks and food items. Also, without exposing the entire fridge cavity cold-air escape is minimised.

### Pure N Fresh

LG's **Pure N Fresh** - is LG's unique air purification device inside the Refrigerator. It is a fan assisted Carbon Deodoriser which actively forces odour filled air through the deodoriser and sends it back across 3 different shelving levels via the Fresh Shower ducting.

### Easy Organisation

**Wide Eye-level Refrigeration** - with up to 830mm of wide open space, this fridge offers you generous fridge space perfect for your wide platters and all your fruits and veggies.

**Cantilevered shelving** - easily move the shelves to fit taller items such as water jugs or tall drink bottles..

**2 Door Freezer** - maximises organisation with deep interior drawers & ample door baskets.
