A Great Choice for Whole Family Entertaining!

LG brings you an incredible range of streamed content with webOS 3.0 Smart TV. Simply choose the app you want to watch. And, best of all, it's built in, without the need for a set top box or media player connected by cable. There's so much to choose from – Netflix, Stan, ABC iView, SBS On Demand, YouTube, Google Play Movies, Spotify, YuppTV and FreeviewPlus**. Uniquely engineered, it's Smart TV made simple.

This series also includes a host of fantastic features including built in Wi-Fi and the ability to mirror your Miracast enabled smartphone's screen, so you can share content with everyone in your living room.

** Internet connection and streaming services membership (where applicable) required. Internet usage charges and conditions apply. Contents and features will vary from time to time without notice. WebOS internet browser supports HTML5, VP9 and HEVC.*

*** FreeviewPlus uses HbbTV technology which combines broadcast and broadband.*
