### If you like power and fun - the LG X-Boom Freestyler will impress!

Raise the roof with the LG X-Boom Freestyler - delivering 600W through its powerful four speaker stereo system. Place the Freestyler horizontally or vertically to suit your location. Connect up to three devices simultaneously with the convenient smartphone Remote app - where you can also adjust the lighting combinations and create your own DJ samples - certain to liven up your party! Connect up to two microphones and turn the Freestyler into a simple karaoke PA system. Add extra volume to your video gaming or movies - with Sound Sync Wireless technology directly to an LG Smart TV\*.

### Bluetooth Multi-Point (Up to 3 devices simultaneously)

Use Bluetooth audio streaming to listen to music and online music streaming services via your mobile device.

Pair up to 3 devices simultaneously^ (including phones, tablets or PCs). So friends can play their music one after the other, without going through the disconnecting or connecting process.

*^Music Flow Bluetooth App (minimum Android version 4.0.3) and (minimum iOS version 6) required.*

### DJ Effects and DJ Pro

Add Flanging, Phasing, Wah-Wah and Delay sound effects to songs playing back from your USB drives. In addition turntable scratch can bring an old school vibe to your tunes.

Take control with DJ Pro. Spice up your music with six fun pre-set sound effects, ranging from crowd effects to drum beats. Plus, you can create three of your own sounds.

### Karaoke Feature with Voice Cancellor and Key Changer

Sing along to any track! Voice Cancellor reduces the existing song's vocals, so that your voice can be heard more clearly. Key Changer adjusts the pitch of the song to suit your voice!

### Sound Sync Wireless (LG TV)

Connect your All-in-one System Smart LG TV wirelessly via Bluetooth\*.

*\*Magic Remote required to enable this feature.*
