Infrasppeed Heater

The **Infrasppeed Heater** complements the traditional radiant heaters by providing heat more quickly at the beginning of the cooking process in Grill and Aussie Menu and provides a stable temperature during Active Convection Mode.

i-wave Technology

LG i-wave technology utilises the interior Echo Reflection Design to defrost & reheat more evenly.

Versatile Cooking

Versatile Cooking allows you to enjoy the 3-in-1 combination of an oven, grill and microwave in one appliance.

Auto Cook Menus

Auto Cook Menus - with pre-programmed cooking menus, cooking meals can be fast and simple.
