Voice Interaction

Speak to your Magic Remote to find search content and control popular functions. If you want to search for something in the online browser, simply speak into the Magic Remote and watch the text appear on the screen. And the cool thing is that this Voice Recognition works superbly with Australian accents. You beauty!

Simple Navigation

Just point and click - a smart remote for your Smart TV. Scroll up and down, zoom in and out with a wheel - just like using a computer mouse.

Wireless Sound Sync

Connect your Sound Bar to your 2014 Smart LG TV wirelessly via Bluetooth™.
