### Overview

Enhance your movie, TV or gaming sound experience with 2350W, coming from 4 speakers.

#### Music Streaming with Bluetooth®

Use Bluetooth® audio streaming to listen to music and online music streaming services via your mobile device.  
Pair up to 3 devices simultaneously ^ (including phones, tablets or PCs).  
So friends can play their music one after the other, without going through the disconnecting or connecting process.

#### Control with your LG TV Remote

Control your Mini System volume and mute with your LG TV remote control.

#### DJ Features

Add Flanging, Phasing, Wah-Wah and Delay sound effects to songs playing back from your USB drives. In addition turntable scratch and beat box sampling effects can be added during song changes.  
Take control with DJ Pro. Spice up your music with 9 fun pre-set sound effects, ranging from lasers to horns! Take your song to a next level with the NEW Party Thruster - a user controlled lever that ends with a deep sound explosion!

#### Karaoke feature with Voice Cancellor and Key Changer

Sing along to any track! Voice Cancellor reduces the existing song's vocals, so that your voice can be heard more clearly. Key Changer adjusts the pitch of the song to suit your voice!

\*Music Flow Bluetooth® App required. (minimum Android version 4.0.3 ) and (minimum iOS version 6)
