

Sound Bar

SK10Y

Product Sheet

Dolby Atmos

Dolby Atmos produces breathtaking sound quality that delivers impressive clarity, richness, detail & depth for an immersive experience.

Meridian Technology

We've partnered with Meridian, the pioneers of high resolution audio to bring you heart stopping, high-fidelity sound with improved clarity.

550W Total Power & 5.1.2ch Channel Output + Wireless Rear Speaker Compatible*

Add more power and enhance your movie, TV or gaming experience with 550W total power, 5.1.2 Ch. You can also add rear speakers for an extra Two Channels & 140W.

High Resolution Audio and Sound Upscaling

High Resolution Audio at 24bit/192kHz, is capable of reproducing high quality sound from the original recordings, while Sound Upscaling takes a standard quality audio file and automatically improves it.

The LG SK10Y Sound Bar comes with Meridian technology for high performance audio, Dolby Atmos produces breathtaking sound quality that delivers impressive clarity, richness, detail & depth and High Resolution Audio reproduces high quality sound from the original recording.

* Compatible with LG Rear Speakers. SPK8-S sold separately.
