WASHING MACHINES

LG's Ultimate **Smart Washer** is Here.

Direct Drive Motor

- **LG's Direct Drive Motor** - When compared to LG's non-direct drive systems, gives less vibration, and less noise (38dB).
- **Greater durability** - and that's why you get LG's 10 Year Direct Drive Warranty comprising of 2 Years Parts and Labour + 8 Years on the Direct Drive Motor (parts only)

6 Motion Wash Technology

- **LG's 6 Motion Wash Technology** offers 6 distinct wash actions.
- The machine automatically uses the appropriate motions for the wash program selected.

On Board Heater

- With an **On Board Heater** your LG Top Load washer can wash with exceptional results. With a choice of either 60°C or 40°C you can use heat to help remove either Stubborn stains or Sanitise items for sensitive skin sufferers.
