

## DISHWASHERS

## LDF8922

**Performance**

- Dual Intensity™ Wash Cycle
- Premium LoDecibel™ Quiet Operation
- Slim Direct Drive Motor™
- SenseClean™ Wash System
- 6 Wash Cycles with 3 Spray Arms
- Sanitary Rinse Cycle
- Half Load Cleaning
- Detergent and Auto Rinse Dispenser with Rinse-Aid Refill Indicator
- Hybrid Condensing Drying System
- DuraGlide™ Upper Rail Rack
- IllumiTub™ Dual LED Tub Lights
- SignalLight™ LED Cycle Indicators

**Style and Design**

- Fully Integrated Design, SoftTouch LED Control Panel with Hidden Controls
- Premium Stainless Steel Finish
- Stainless Steel Extra Large Tub

**Convenience Features**

- One-Touch 2" Height Adjustable Upper Rack
- Design-A-Rack™ System
- Folding Tines on Top and Bottom Rack

Stainless Steel

ENERGYSTAR® qualified models exceed the Department of Energy standards for energy consumption by at least 25%. LG's Energy Star dishwashers allow consumers to save money, energy and protect the environment.

# DISH WASHERS

## Fully Integrated LED Control Panel

Provides a beautiful exterior appearance. Electronic controls ensure precise cleaning for safe dish care.

## IllumiTub™ Dual LED Tub Lights

Two interior LED tub lights illuminate the inside of the tub, clearly showing that glasses and dishes have been cleaned. Now it's easy to see what is inside the dishwasher, especially at night.

## Dual Intensity™ Wash Cycle

Three levels of intensity (high, medium, low) can be customized for the upper and lower racks for each wash cycle. So you can run a cycle with pots and pans in the lower rack on high and delicate stemware in the upper rack on low at the same time.

## DuraGlide™ Gliding Upper Rack

Premium quality rack smoothly glides with less noise and friction whether it's fully loaded or empty.

## Signalight™ LED Cycle Indicators

Exterior LEDs beautifully and simply indicate which wash process is in use. Blue LED indicators match the cycle in use: wash, rinse, and dry. When the final cycle is completed the finish indicator will illuminate in green for four minutes.

## Premium LoDecibel™ Quiet System

One of the quietest dishwashers in the industry with built in food disposer. You can talk on the phone or listen to TV or the radio in your kitchen while the dishwasher is running. A combination of sound reducing material and the Direct Drive Motor ensures very low noise.
