Slim SpacePlus™ Ice System

It's great having an ice maker, but not if it means you can't fit all of your food in the fridge or freezer. The Slim SpacePlus™ ice system frees up additional door bin space providing more usable shelf space and additional door space.

10-Year Warranty on Linear Compressor

When you buy a refrigerator, you don't want to worry that it won't last. Because the Linear Compressor motor uses fewer moving parts and operates more efficiently, LG confidently backs this exclusive technology with a 10 year warranty.

Tall Ice & Water Dispensing System

From pitchers to pint glasses: finally a water dispenser that can accommodate just about all. The water- and ice-dispenser in this LG refrigerator is one of the tallest around, with the water dispenser measuring in at an ultra-accommodating 12.6 inches.

4 Compartment Crisper System

Our unique design arranges the storage drawers to give you more versatility for organizing your foods and beverages. This refrigerator comes with a full width, temperature-controlled Glide N' Serve™ drawer, twin humidity-controlled crispers, and a bonus drawer that is perfect for beverage cans.
