OVER-THE-RANGE

Energy Savings Feature

Saves energy by turning off the display when not in use. The display will turn off when the unit is not active for 5 minutes. When this feature is in use the power consumption drops to below 0.1 W.

One Touch Settings

Makes it easy to cook and warm a variety of foods- from a cup of coffee to chicken nuggets.

Add Time Controls

Adds cook time in 30 second or 1 minute increments.

Premium Stainless Steel Style

Why choose between style and power? LG's premium stainless steel finish brings elegance and clean lines to your over-the-range microwave and beauty to your kitchen. The metal wraps completely around the corners of the machine, achieving a high-end look.

LMV1600
