- Door Alarm

Stainless Steel

ENERGYSTAR® qualified models use at least 30% less energy than required by current federal standards. LG's Energy Star refrigerators allow consumers to save money, energy and protect the environment.

Linear Compressor

SIDE-BY-SIDES

SpacePlus™ Ice System

LG's SpacePlus™ Ice System is located on the inside door freeing up valuable space in the fresh food shelf compartments.

Tallest Ice & Water Dispensing System

From pitchers to pint glasses: finally a water dispenser that can accommodate just about all. The water- and ice-dispenser in this LG refrigerator is the tallest around, with the water dispenser measuring in at an ultra- accommodating 13 inches.

10-Year Warranty on Linear Compressor

When you buy a refrigerator, you don't want to worry that it won't last. Because the Linear Compressor motor uses fewer moving parts and operates more efficiently, LG confidently backs the motor with a 10-year warranty.

Energy Star Rated

This refrigerator makes the best use of current technology to save as much energy as possible. So you can feel good about your energy consumption, your energy bill and your impact on the environment.

Premium LED Panel Lighting

LED panels located on the rear and side walls of the refrigerator provide exceptionally bright interior and saves energy.
