High Efficiency Top Load Washer

WT5070

Performance
• 5.4 cu.ft. Ultra Large Capacity with NeveRust™ Stainless Steel Drum (IEC)
• DirectDrive™ Motor for the Ultimate in Durability and Reliability with 10 Year Warranty
• 1100 RPM Powerful Spin for Efficient Water Extraction

Intelligent Fabric Care
• WaveForce™ Technology
• ColdWash™ Option
• SmartRinse™ Jet Spray System
• SlamProof™ Lid
• SmartDiagnosis™
• TrueBalance™ Anti-Vibration System
• SenseClean™ System for Intelligent Fabric Care
• 12 Washing Programs and 5 Temperature Settings
• Delay Wash up to 19 hours for Washing Convenience

Style and Design
• Electronic Control Panel with Dual LED Display and Dial-A-Cycle™
• Clear Diamond Glass Lid

Technology Benefits
• LoDecibel™ Quiet Operation
• Highly Energy and Water Efficient

LG front load washers exceed Energy Star classifications by a minimum of 39%.
**TOP LOAD WASHERS**

**Catch the Wave**
LG WaveForce™ uses rapid drum movement and powerful water jets to provide outstanding washing and rinsing performance, while staying gentle on clothes.

**The Hottest Thing in Cold**
Now using the cold cycle on your washer doesn’t mean compromising on how clean your clothes are. ColdWash™ technology uses cold water and enhanced washing motions to penetrate deep into fabrics, giving you cold-water savings with warm-water performance.

**More Free Time**
Towers of towels, piles of sweatshirts, and a mountain of jeans? Go for it. The ultra large capacity (5.4 cu.ft.) washer lets you do more laundry in fewer loads. That’s time well saved.

**Count On It**
When you buy a washer, you don’t want to worry that it won’t last. Because the Direct Drive Motor uses fewer moving parts and operates more efficiently, LG confidently backs the motor with a 10-year warranty.

**Call, Connect, Resolve**
SmartDiagnosis™ uses self-diagnosing technology that can communicate 24/7 with LG customer service over the telephone providing you with comfort and reliability.

**No Snags**
Instead of a bulky, inefficient agitator, this washer has a low-profile, highly-efficient impeller. And both the NeveRust™ impeller and wash tub are made of durable stainless steel, avoiding nicks that can snag fabrics.
