- External White LED Touch Pad Digital Temperature Controls
- Slim SpacePlus™ Ice Maker
- SmartDiagnosis™
- Door Alarm
- LoDecibel™ Quiet Operation

Smooth White

Smooth Black

Stainless Steel

# FRENCH DOOR

## Slim SpacePlus™ Ice System

It's great having an ice maker, but not if it means you can't fit all of your food in the fridge or freezer. The Slim SpacePlus™ ice system frees up additional door bin space providing more usable shelf space and additional door space.

## 10 Year Warranty on Linear Compressor

When you buy a refrigerator, you don't want to worry that it won't last. Because the Linear Compressor motor uses fewer moving parts and operates more efficiently, LG confidently backs this exclusive technology with a 10 year warranty.

## Tall Ice & Water Dispensing System

From pitchers to pint glasses: finally a water dispenser that can accommodate just about all. The water- and ice-dispenser in this LG refrigerator is one of the tallest around, with the water dispenser measuring in at an ultra-accommodating 12.6 inches.

## Smart Diagnosis™

It's unlikely you'll experience any problems with your LG refrigerator, but if you ever do, this feature helps the service centre diagnose problems over the phone, helping you minimize costly, inconvenient service calls.

## Multi-Air Flow Cooling

Multiple air vents along with deluxe shelving ensure an equal amount of chilled air reaches each shelf for quick and uniform cooling.
