EasyClean™

Stainless Steel

GAS RANGE

Fast, Efficient, Easy Clean Up

LG's innovative EasyClean™ function provides a quick, efficient, effortless way to clean your oven. Using lower temperatures, a revolutionary interior, and water, simply wipe away the mess after only 20 minutes. Got a really big mess? The full self clean is still available to tackle those heavy duty clean up jobs

Better, Faster Results

Great cooking takes time, but at least with this oven it takes less time. The Convection Oven lets you pre-heat faster and provides more even baking and roasting for delicious results.

Cook More

the 5.4 cu. ft. oven capacity give you more space and gives you the flexibility to cook more dishes and larger platters at the same time.

Stir-Fry, and Simmer

The 5 High Performance Sealed Burners are there to meet all your cooking needs. These easy to clean sealed burners provide flexible cooking power from 5,000 BTUs to 17,000 BTUs.

The Smooth Touch

Easy to use and easy to clean, the touch IntuiTouch™ Control System makes operating your range a snap. The left side of the panel mirrors the cooktop elements, while the right side controls the oven functions.
