Management

VALUE ADDED FEATURES

Quick Menu

Enjoy LG's easy solution of menu home. Now LG provides the new Quick menu (Ver 3.0), making it easier and more user-friendly than ever.

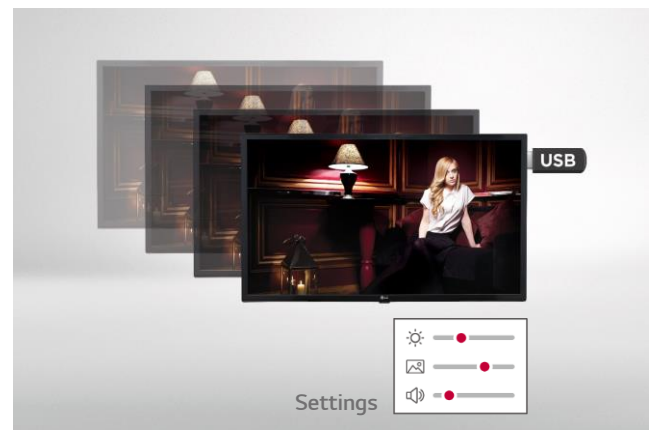

Hotel Mode (Public Display Mode)

From channel selection to volume level, you can control the TV settings in business areas. Public Display Mode also enables you to restore default settings, as required, on the TVs.

Welcome Video / Screen

With the capability to display several images, Commercial Lite TVs allow for a greater variation of greeting messages in hotel rooms which make customers feel more welcomed and cared for.

USB Data Cloning

USB data cloning makes managing multiple displays more efficient for optimal operation. No need to set up each display one by one, data can be copied to a USB in one display and will be distributed to other displays through a USB plug-in.

VALUE ADDED FEATURES

Commercial Swivel Stand

Expand the range of comfort for guests with a commercial grade stand. This allows guests to watch the TV from any angle. Also, for security purposes, the stand may be secured to its table.

External Speaker Out

Enhance the entertainment experience with an additional speaker. Guests can listen and control the TV audio from anywhere, even from restrooms.

SIMPLE & EFFECTIVE MAINTENANCE

Diagnostics

The TV stores diagnostic data, which can be saved to a USB memory device, thus enabling service engineers to analyze the data and identify technical issues quickly and easily.

IR Out

Using the interactive set-top box, all LG TVs can be controlled with a single remote control.
