

POLICY TERMS AND CONDITIONS

It is important for your benefit and protection that you read these terms and conditions. These and your certificate, and any changes we notify you about, form your agreement with us.

Definitions

policy: this contract of insurance.

product(s): the appliance(s) protected by this policy, as shown on your certificate.

we/us/our: Domestic & General Insurance PLC, the provider of the policy.

you/your: the person named on your certificate.

your certificate: the personalised section of your policy documentation, sent to you once you have taken out a policy.

Is this policy for you?

You must be at least 18 years old and resident in the United Kingdom to be eligible. Your product must be:

- owned by you;
- in good working order when you take out the policy;
- located in the United Kingdom; and
- used for personal and non-business purposes only.

Important conditions

- All information you give must be true, factual and not misleading.
- Your product must have been installed, maintained and used in accordance with the manufacturer's instructions.
- Your product must be used in a private home, solely occupied by a single household (at the address you gave to us).
- For products which can store data, you must ensure that your product does not contain any content that may be considered to be illegal, and if we find any content we consider to be illegal, we reserve the right to inform the relevant authorities.

Your responsibilities

- You must arrange any work required to make your product accessible and compliant with all relevant safety standards and safe to work on (as determined by our engineer). We will not do any work where these standards are not met.

What this policy covers

Breakdown (after the manufacturer's guarantee)

If your product suffers a mechanical or electrical breakdown after the end of the manufacturer's parts and labour guarantee period, we will (at our option) authorise a repair, arrange a replacement or pay the cost of a replacement product.

Territorial limits

Your product is covered for claims that occur in the United Kingdom.

How to make a claim

To make a claim please contact us as soon as possible by telephone on 0333 000 4936 or online at www.domesticandgeneral.com/repairs

Repairs

Where we authorise a repair we will pay call-out charges, the cost of labour and the cost of parts (as long as these are not covered by another guarantee or warranty on the product). Only engineers approved by us are authorised to carry out repairs under this policy, unless we agree otherwise in advance. Repairs will be carried out within the engineer's normal working hours (which are at least 9am to 5pm, Monday to Friday) on a date agreed with you. Please have your policy documentation to hand when the engineer arrives. If we authorise a repair but are unable to find an engineer, we'll permit you to use your chosen engineer. You will have to pay them and claim the cost back from us. Please keep a copy of your invoice to send to us.

If we permit you to use your chosen engineer and the proposed repair is estimated to cost more than the repair authority limit: £125, then you must ring the repair authority line on 0800 597 8580 for an authority number before work starts.

Replacements

1. In some situations we will arrange to replace your product instead of repairing it (for example where we cannot repair it or we decide that it is uneconomical for us to repair your product). In these circumstances, we will arrange to replace your product with one of a same or similar make and technical specification.
2. If we cannot reasonably arrange a replacement, we will give you vouchers instead. The vouchers will be for the full retail price (from a retailer chosen by us) of a replacement product of the same or similar make and technical specification. The vouchers will also pay for the delivery.
3. All vouchers will be valid for 12 months from the date of issue. Voucher settlements will be sent to the last address you gave us. If vouchers are not available we will provide a cash equivalent.

Disposal, delivery, installation and other costs

1. We will pay the delivery charges for any replacement arranged under this policy.
2. If your product is replaced, you will need to arrange the disposal of the replaced product. We will dispose of the replaced product if it is in our possession.
3. In all cases you will be responsible for installing the new product and paying any related costs.

What happens if your product is replaced?

If we decide to arrange to replace your product (or to pay a settlement towards a replacement), your policy will end immediately.

Transferring your information

In exceptional cases, we may transfer your information to countries outside the European Economic Area (including the US) which may not have data protection laws which provide the same level of protection as provided in the UK. We have put in place Model Clauses as an appropriate safeguard to ensure that such information is adequately secured and protected and that such transfers meet the requirements of applicable data protection law.

We keep your personal information for six years after you terminate your policy so that we can deal with any claims. Your goods information we keep for a bit longer, normally 10 years (the average life of an appliance) for health and safety. We also keep your information to send you marketing that you might be interested in, unless we receive a request from you to opt-out of marketing.

Rights to your information

By writing to the Data Protection Officer using the contact details provided below, you have the right to ask us:
