

IT'S ALL ABOUT THE NEW QNED

QNED/NanoCell Collection 2024

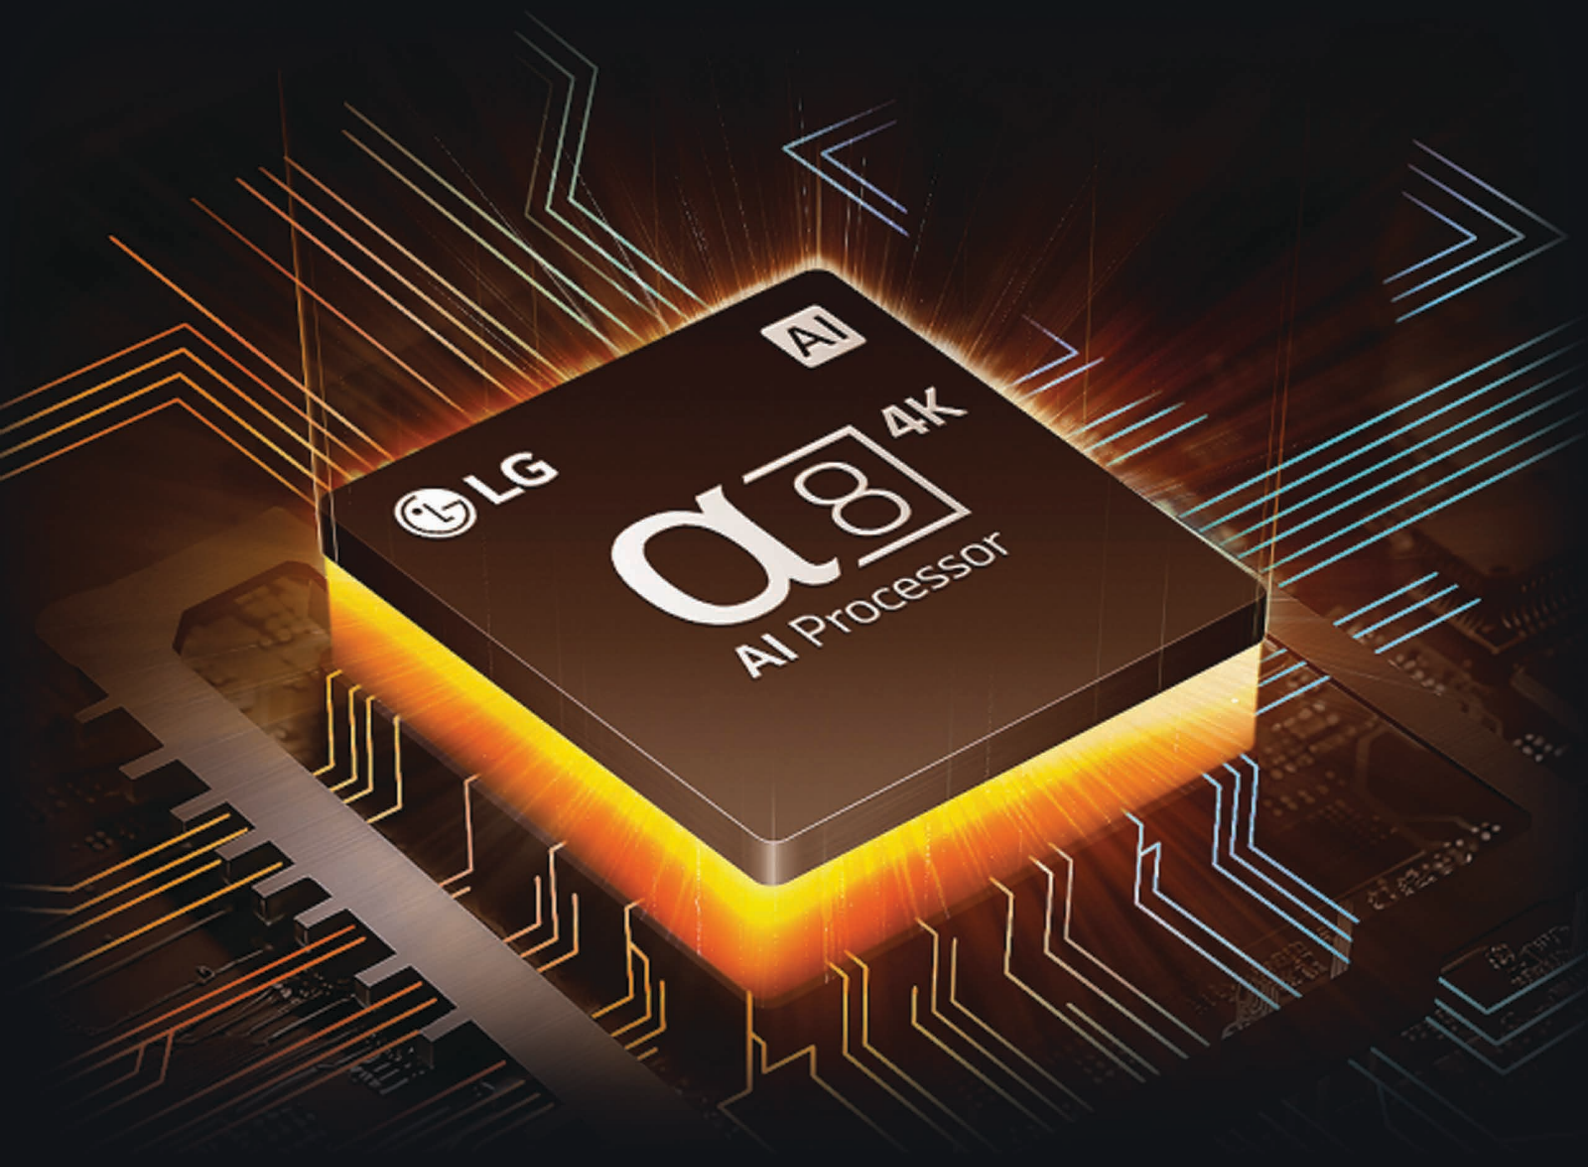

Life's Good.

AI-Powered Experience

alpha 8 AI Processor 4K

Top-tier QNED powered by 11 years of OLED technology

Incredibly intelligent immersion. Our alpha 8 AI Processor 4K auto-optimizes audio and picture to sync to you.

AI Customization

AI Picture Wizard

A picture tailored to your taste

Select your favorite images, and AI Picture Wizard creates a picture tailored exactly to your unique taste from 85 million possibilities, then saves it to your profile.

AI Acoustic Tuning

The optimal audio fits your space

The sound system detects the layout of your room and where you're sitting to create a dome of sound around you, perfectly.

AI Brightness Control

Intelligence that's bright in any light

Come day or night, Brightness Control detects the light in your space and balances the picture accordingly for crisp and clear visuals.

AI Picture Pro

Feel authentic realism in every frame

AI powers crisp clarity and color

Make every scene a masterpiece. Dynamic Tone Mapping Pro intelligently refines brightness and contrast within the frame, while AI Super Upscaling uses deep-learning algorithms to enhance content in real time so everything you watch looks astonishingly crisp.

AI Sound Pro

Hear every detail of the soundscape

Virtual 9.1.2 Channel

Life-like audio soars through your space

Hear every breath and beat as the 9.1.2 virtual surround sound system fills your space with rich, soundstage quality audio.

Dynamic Sound Booster

Impactful sound resonates

AI processor refinements give your sound a dynamic boost packed with power.

Adaptive Sound Control

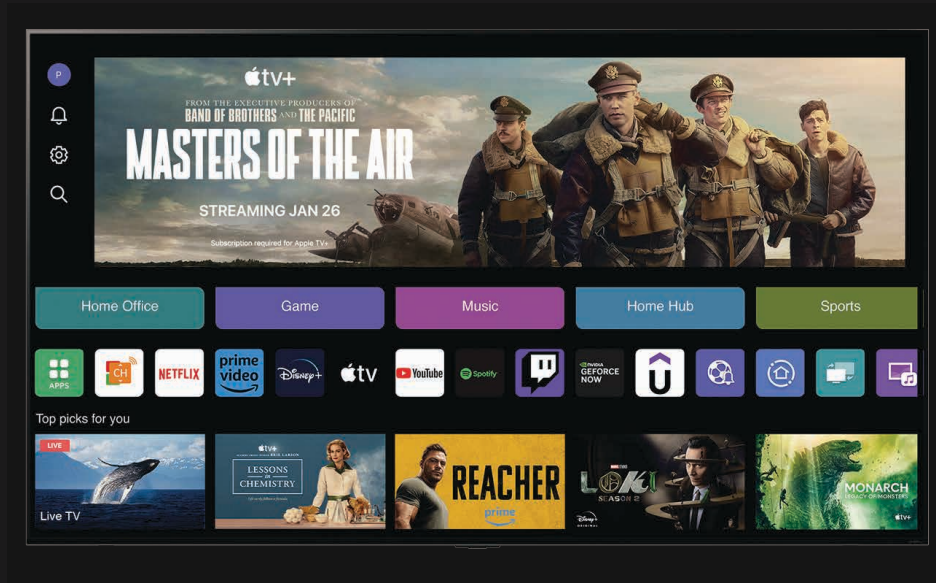

Sound suits whatever you watch

Adaptive Sound Control balances the audio according to the genre in real-time for rich clarity.

webOS Re:New Program

Make your TV experience yours

Experience TV that's made for you with My Profile, AI Picture Wizard, AI Concierge, and Quick Cards.

Every year, a new TV for 5 years

Stay up-to-date with handy features and technologies through 4 promised webOS upgrades over 5 years.

*The WebOS Re:New program supports 4 WebOS upgrades over 5 years for 2022, 2023 & 2024 select models. 2024 select models will receive a total of 5 versions of WebOS including the current version at the time of purchase. Upgrades are available for 2022 release select models of OLED and 8K QNEDs, and select models of UHD, NanoCell, QNED and OLED of 2023. Features are subject to change and some feature, application and service updates may vary from model to model. Product images shown are for representation purpose only. Actual product may vary.

QNED Picture

Precision Dimming Pro+

Precise backlight reveals pitch black and peak brights

See every scene in true-to-life clarity. Precision dimming technology controls over hundreds of dimming blocks to produce the sharpest possible picture, reduce unwanted halo, and reveal hidden details.

*Models that support following feature may vary.

See bright and lush colors burst to life

Be mesmerized by incredibly rich colors, even more vivid than the world around you.

Design & Soundbar Synergy

Gallery Design

Display a masterpiece on your wall

Display your TV like a work of art. The slim design sits flush with the wall, so your screen blends seamlessly into your space.

Perfect Fit with LG Soundbar

The outstanding soundbar worthy of the LG QNED

Synergy Bracket

Brilliant sound stays brilliantly hidden with the Synergy Bracket

The S70TY Soundbar is easy to install and perfectly matches your QNED TV.

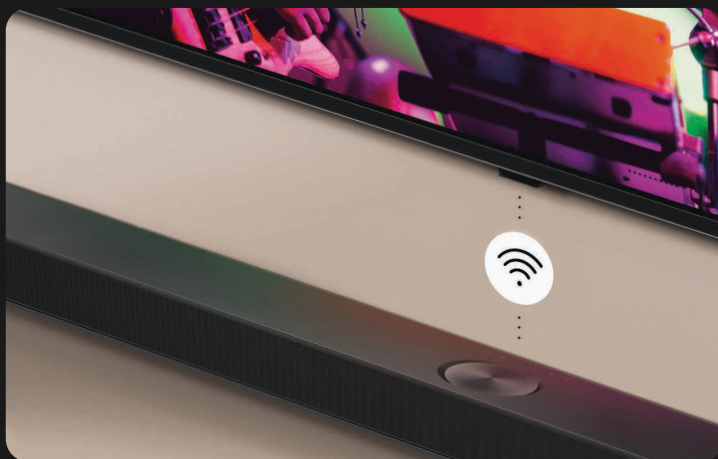

Soundbar Synergy

WOW Orchestra

Every picture is perfectly on pitch

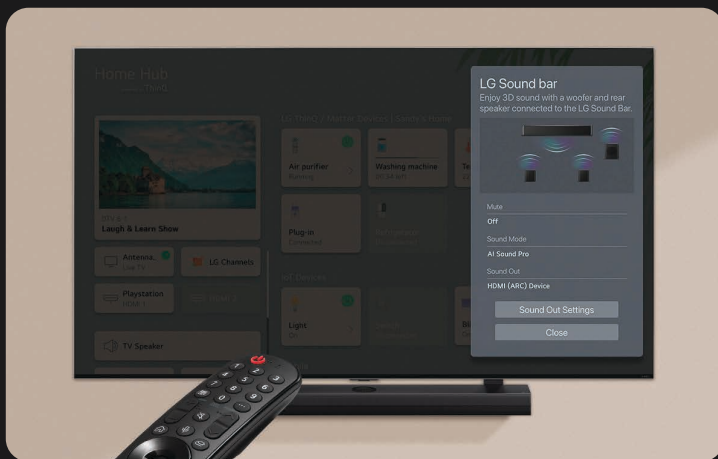

WOW Orchestra brings the unique sound of your LG Soundbar and LG OLED together in synergy.

WOW Interface

Simplicity at your fingertips

Access WOW Interface on LG TV for simple soundbar controls like modes, profiles, and handy features.

WOWCAST Built-in

Watch your TV with zero mess in sight

Break up with wires and hear the full potential of your LG Soundbar's audio quality with WOWCAST.

QNED Cinema

Dolby Vision & FILMMAKER Mode

Authentic movie scenes burst into life

Transform movie night. Dolby Vision's ultra-vivid picture comes together with the support of FILMMAKER MODE™ to preserve the director's intention, optimizing the picture quality while ensuring no distortion or over-processing.

True Cinema Experience

Enjoy full-scale visuals and audio from your sofa

Transform how you watch your favorite movies. Dolby Atmos produces spatial sound to draw you in even deeper, while HDR10 Pro ensures colors look rich and vivid.

QNED Gaming

Advanced Gameplay

Set your sights on colossal victories

Play stays smooth at high-speed with FreeSync and VRR, while easy settings make victory a cinch.

Game Dashboard & Optimizer

Controls right where you need them

Don't pause to use Game Optimizer and Game Dashboard.

QNED Connectivity

Magic Remote

The magic is in your hands

Free yourself from the constraints of old-fashioned buttons. LG Magic Remote unlocks all the smart features of your LG TV with a click, scroll, or your voice.

*The functions and features in Magic Remote may vary by region and language.

Mobile Connectivity

Cast your apps directly onto your TV

See content from your iPhone or Android device on your LG TV screen effortlessly with Apple AirPlay and Chromecast built-in.

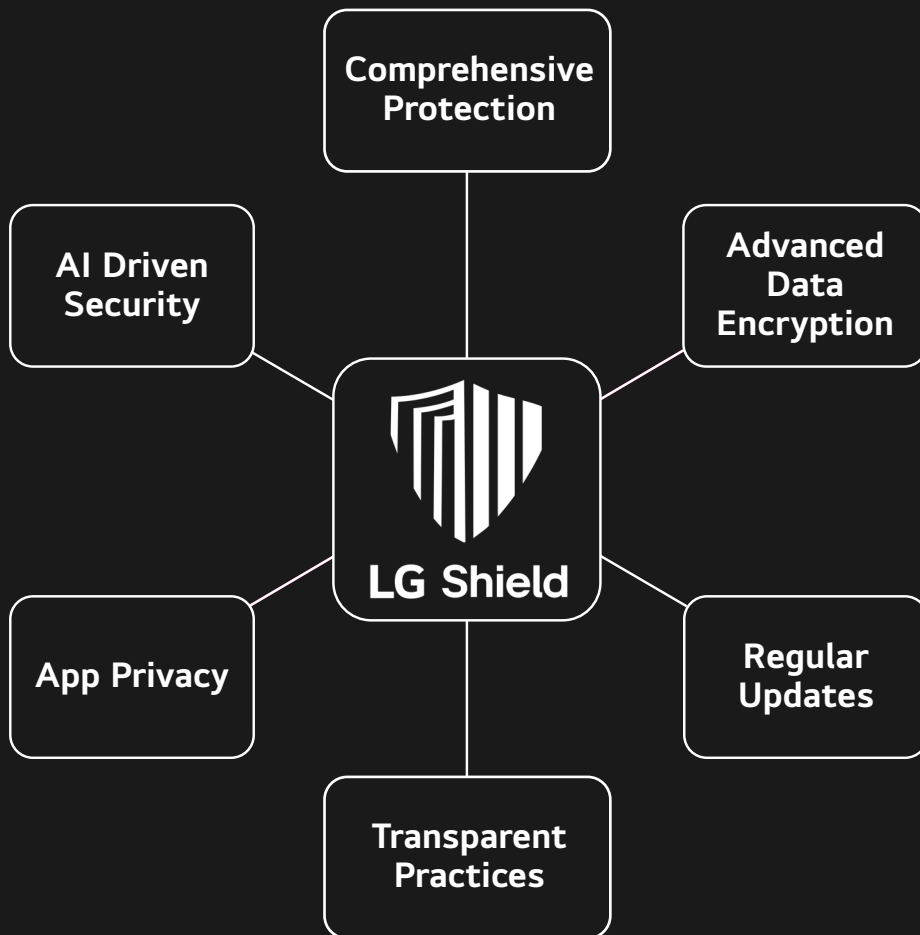

*Screen images simulated. **Apple, the Apple logo, Apple TV, AirPlay and HomeKit are trademarks of Apple Inc., registered in the U.S. and other countries. ***Support for AirPlay 2, HomeKit, Chromecast Built-in, and may vary by region, and language. ****LG supports 'Matter' Wi-Fi devices. 'Matter' supported services and features may vary depending on the connected devices. Initial connection for ThinQ and Matter should be via ThinQ mobile app. *****Use of the hands-free voice function without a remote control is only possible with the alpha 9 AI Processor and may vary depending on products and regions. *****Chromecast built-in service may not yet be available at the time of purchase of OLED CS4, but you will be able to enjoy the service after installing webOS software updates.

QNED Care+

LG Shield

Enhanced security for your TV

In today's connected world, it is imperative to protect your TV from the risk of security vulnerabilities. LG Shield provides timely updates to protect your data so that you can enjoy the benefits of smart technology while minimizing the risks from hacking and viruses.
