

OLED Hotel TV with Premier IP & RF Solution

EU961H

The world's best-selling OLED brand, LG OLED TV, embraces cutting edge Hospitality management technology - LG Pro:Centric SMART. It delivers greater usability and convenience for seamless exploration of TV content, and also provides great solutions for hotel management.

OLED Hotel TV with Premier IP&RF Solution EU961H

World's Number 1 OLED

Perfect Black. Intense Color

LG OLED TV provides richness in all colors, boasts aesthetic touch of nature, and reveals life. Equipped with over 8 million of self-lightning pixels operating individually, the product completes the Perfect Black.

4K Cinema HDR

LG 4K Cinema HDR offers the filmmaker's vision through usage of HDR formats. Now, a unique cinematic experience is available at hotel room with Dolby Vision™ and HDR 10.

OLED Hotel TV with Premier IP&RF Solution EU961H

World's Number 1 OLED

Cinematic Sound for Your Home

Dolby Atmos® creates a dynamic and surround sound experiences although even when space is limited, facilitating the discernment of every details of the movement in a scene. With Dolby Vision™, the product provides a truly unique cinematic experience.

Picture-on-Glass, the Artistic Esthetics

Furnished with sleek design, the product takes its artistic aspect to the next level. As the need for distinct elements like bezel or a thick stand has been eliminated, the refined but aesthetically stifled design intensifies the viewing experience.

OLED Hotel TV with Premier IP&RF Solution EU961H

World's Number 1 OLED

OLED Gallery Mode

Bring the wonders of the world to your Hotel space with OLED Gallery Mode. From photography of beautiful places to world-renowned artwork, Gallery Mode provides a great selection of beautiful images and videos. Stunning contents creates a perfect atmosphere that suits your visitor's mood.

Pro:Centric Smart Application Platform

Pro:Centric Hotel Management Solution

Pro:Centric SMART is optimized for customizing hospitality services for hotel brands and guests through an IP & RF infrastructure. With its high picture quality, sophisticated design and advanced connectivity functions, it upscales in-room entertainment and increases convenience through implementation of high-end technology.

* Actual UI may differ

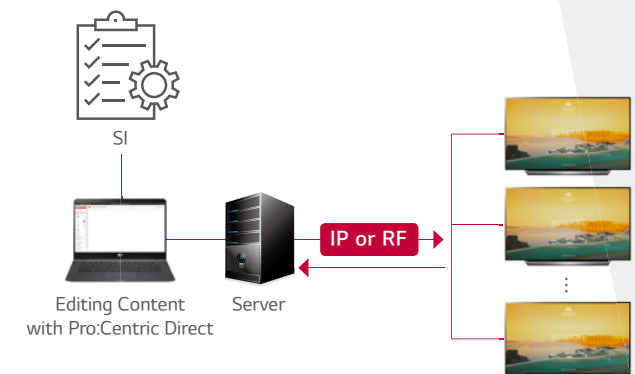

Pro:Centric Server Application

You can now differentiate your hotel with our customizable templates and pages which can be specialized for your property. Pro:Centric provides you a solution that is easily customizable for your business.

Pro:Centric Direct Solution

Pro:Centric Direct is a hotel content management system that supports simple editing tools and provides various solutions such as 1-click service and IP-network-based remote management. With the solution, users enable to design UI easily and provide customized service while managing TV efficiently.

* Customized UI may differ

* When PCS400R and PCD 2.0 are used, it is able to have PCD feature even in RF infrastructure. However, to have interactive services in RF infrastructure, Wi-Fi is required (RF+Wireless Infrastructure is needed).
