Pro:Centric Enhanced Hospitality UHD TV with b-LAN

## UT570H(NA)

### PICTURE QUALITY

#### 4K Resolution

---

UHD is the future of digital pictures, delivering a higher resolution four times than that of full HD. The stunning 8.3 million pixels offers a flawless picture quality and incredibly vivid detail.

#### 4K Upscaler

---

Enjoy Full HD content in 4K UHD quality. The 4K Upscaler automatically upgrades Full HD content to UHD through a simple six-step upscaling processes.

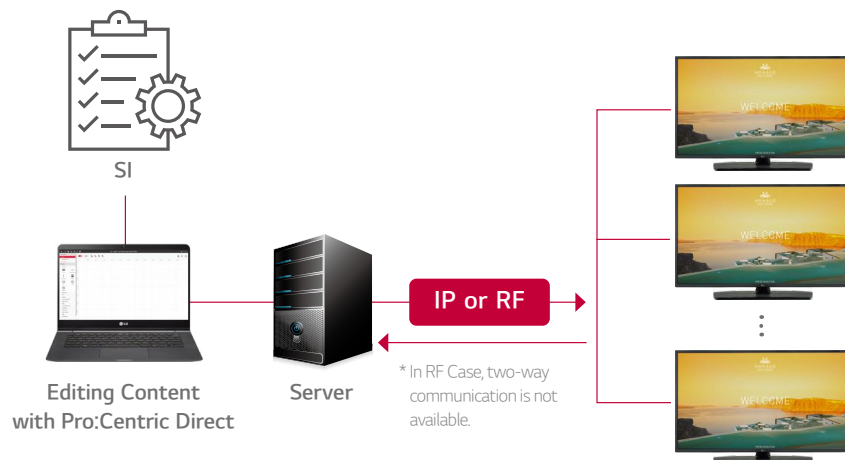

Pro:Centric Enhanced Hospitality UHD TV with b-LAN

## UT570H(NA)

### Pro:Centric Direct HOTEL MANAGEMENT SOLUTION / DRM

#### Pro:Centric Direct Solution

Pro:Centric Direct is a hotel content management system that supports simple editing tools and provides various solutions such as 1-click service and IP-network-based remote management. With the solution, users can easily edit the user interface, provide customized service and manage all TVs efficiently. With PCD version 3.0, it offers IoT-based In-room control, as well as voice control through LG Embedded Natural Language Processing (NLP). These IoT- and voice-related features will prepare hotels for a future intelligence-driven room experience.

#### Pro:Idiom

DRM (Digital Right Management) technology unlocks access to premium content to help assure rapid and broad deployment of HDTV and other high value digital contents.

\* Actual UI may differ

\* When PCS400R and PCD 2.0 are used, it is able to have PCD feature even in RF infrastructure.

## UT570H(NA)

### Pro:Centric V HOTEL MANAGEMENT SOLUTION

Pro:Centric provides comprehensive solutions in RF infrastructure. Through the Pro:Centric server and app, hoteliers are able to customize their settings and deliver information on hotel facilities and wake-up call services, weather forecasts and other guest messages, all while reinforcing the hotel's brand image.

#### Dozens of Languages

This series supports 39 languages (including Hebrew, Arabic and Farsi) and language alignment, making guests from around the world feel more at home and comfortable.

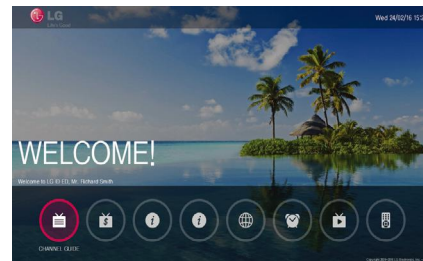

Right Alignment (Hebrew, Arabic, Farsi)

Left Alignment (36 languages)

#### Basic & Easy Templates

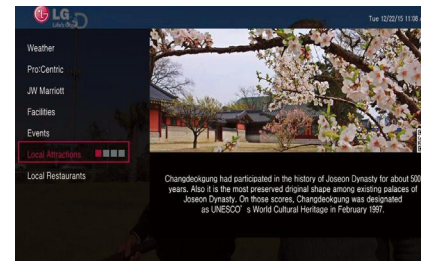

Pro:Centric Application (PCA) provides basic, easy-to-use templates that can be selected based on customer preference.

Welcome image of PCA

#### Customizable Template & Page

Choose alternative looks for billboards based on your preferences, and edit multiple sections with up to 40 pages of billboards by yourself with this web-based tool.

#### Multi Channel Spooling

Operation of up to eight hotel channels (22 sub-channels) offers programming flexibility, customized content and additional services.

Pro:Centric Enhanced Hospitality UHD TV with b-LAN

## UT570H(NA)

### VALUE ADDED FEATURES

#### Commercial Swivel Stand

The UT570H series provides commercial grade stand swivels to allow guests to view the TV from virtually any angle and can easily be fastened to a tabletop for security purposes.

#### EzManager

EzManager provides a convenient installation function to automatically set settings for the Pro:Centric TV without any extra configuration. Auto-installation requires 1~3 minutes, while manual installation requires 3~5 minutes.

#### Instant On

The high speed loading system enables users to enjoy content immediately after turning on the TV.

## UT570H(NA)

### VALUE ADDED FEATURES

#### USB Data Cloning

USB data cloning makes managing multiple displays more efficient for optimal operation. No need to set up each display one by one, data can be copied to a USB in one display, data will be distributed to other displays through a USB plug-in.

#### IR Out

Using the interactive set-top-box, all LG TVs can be controlled with a single remote control.

#### RS-232C

Via the TV's RS-232C port, remotely control power and volume settings at the same time.
