**LG styler** | Steam  
Clothing Care

## A NEW ERA IN PREMIUM CLOTHING CARE

LG proudly presents the **LG styler**, a new complete clothing care system for those who know it's smart to look sharp. Just hang clothes inside and you'll take them out refreshed.

**LG styler** - A smart system  
for your successful business

**LG styler** can give differentiated service to your guests. With the **LG styler**, guests can relax in their rooms without worrying about scheduling or paying for laundry service. And the Styler's sleek design complements your existing furnishings, adding comfort and convenience to your business.

[BAF]  
Certified Sanitary by  
British Allergy Foundation

[INTERTEK]  
Tested Sanitary by Intertek

1) BAF : Tested about reduction in exposure to House Dust Mite Allergen and reduction of Live House Dust Mites and Fungi.  
2) INTERTEK : Verified to sterilize 99.9% of E.coli and S.epidermidis.

## REFRESH

Care for suits, dresses, sweaters and more with the touch of a button so you—and your clothes—will always look meticulous.

### Shake Off Wrinkles and Odors

TrueSteam® technology refreshes clothes between dry-cleanings to reduce wrinkles and vanquish odors.

Moving Hanger

Steam is sprayed on fabric.

Aroma Kit

## GENTLE DRY

Dry clothing and delicates you normally dry on a rack much faster than air drying.

### Kind to Fabrics

Low temperature drying system is perfect for drying everything from wool pants to cashmere sweaters without tumbling.

Conventional Tumble Dryer

Gentle Dry

\* Results may vary depending on fabric type.

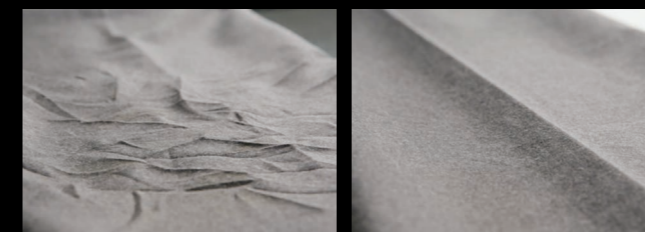

## PANTS CREASE CARE

Keep pant creases looking crisp while reducing wrinkles overall.

\* Only cover up to 38 inch.

### Easy Wrinkle Care for Pants

Special door compartment helps restore the crease while reducing wrinkles at the knee, waist and everywhere else.

Before

After

## SANITARY

Sanitize your clothes while reducing allergens with LG's exclusive TrueSteam® technology.

### Sanitize Clothes, Toys and More

The Sanitary cycle powered by TrueSteam® helps reduce allergens in clothes, bedding, sportswear—even children's plush toys.

Step1  
Steam is sprayed on fabric.

Step2  
Allergens dissolved

Step3  
Allergens are separated and discharged

# STYLER KEY FEATURES

Glass Door with Linen Pattern

Anodized Aluminum Frame

Hidden LED Display

**Moving Hanger**  
Slides side to side as clothing bathes in a light mist of steam to release wrinkles effortlessly.

**Heat-Pump System**  
Gently dry clothes without worries of shrinkage or damage.

**Aroma Kit**  
Add an optional scent sheet to infuse your clothing with a gentle scent.

**TrueSteam® Nozzle**  
TrueSteam® is sprayed from the nozzle to reduce light wrinkles and odors.

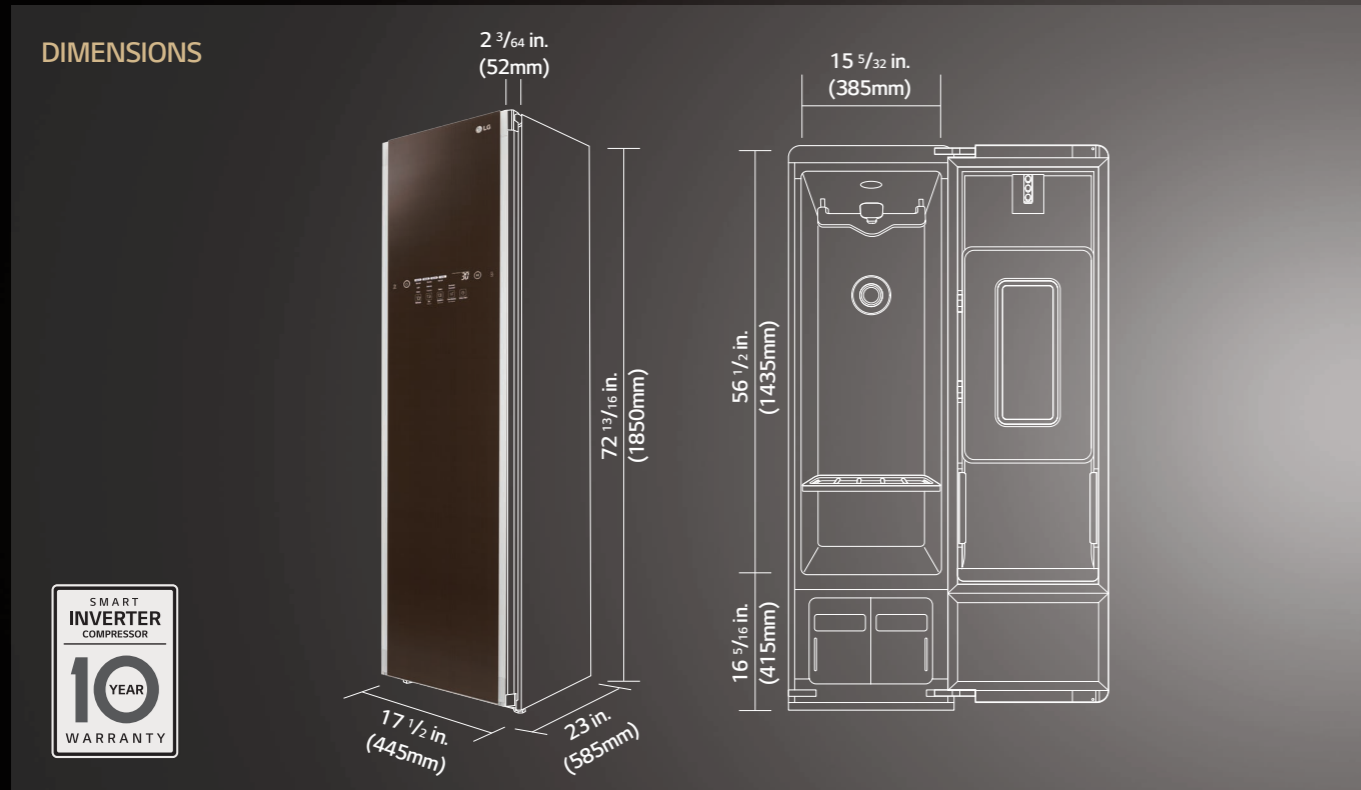

**Pants Crease Care**  
Helps restore pant creases while reducing wrinkles at the knee, waist and everywhere else your pants can wrinkle.  
\* Only cover up to 38 inch.

**Versatile Rack**  
Lets you refresh clothes that need to lay flat. Also great for drying hats, gloves and scarves that have been caught in the rain.

**Portable Water Container**  
Makes it easy to fill and drain the water needed for LG's unique TrueSteam® technology—no water lines needed.
