1Q'20 Performance

- **Sales** : Due to the impact of COVID-19, global supply constraints and mobility restrictions by cross border control have reduced market demand and caused sales decrease YoY and QoQ
- **Profit** : Despite the macro economic deterioration such as reduced demand and vulnerable exchange rate, improved profitability driven by expanded sales volume of premium products such as OLED / nanocell / large size TV and operation efficiency.

2Q'20 Outlook

- **Market** : Market demand is expected to sharply drop as many countries continue mobility restrictions due to COVID-19
- **LGE** : Under the premise of the rapid drop in market demand, effort will be made to promote profit-oriented business operations by increasing the weight of premium product, online sales and optimal resource management

1) From 1Q'20, IT business has been restated to 'BS division' from 'HE division'
