Hotel Logo & Welcome Screen

LG Hotel TV allows the Hoteliers to have their own Hotel logo on the TV. Additionally more customization can be achieved using a welcome screen message.

Lock Mode

Lock Mode can make TV to be blocked from external input signals for illegal communication in such areas; Prison, Mental hospital and any applicable public spaces.

Swivel Stand

The Swivel stand allows guests to watch TV virtually at any direction as it can be rotated 90 degrees in both directions. Just rotate the TV to your direction to watch TV comfortably.
