

## Design the Comfort of your Guests

LG Pro:Centric Smart offers all the customizable tools that our partner can optimize Hotel TVs with IP-based programs; Web-kit and HTML5.

Customizable UI\_Web Kit & HTML5

## Enjoy smarter connectivity

Commercialized connectivity is ever revolutionized with Smart TV functions such as Smart share and WiDi, which enables guests to play and view content from their digital devices on their in-room TVs.

WiFi Built-in

WiDi

Smart Share

## Maximize the service within minimized capacity

Hotel guests can now enjoy a greater variety of applications and services with their guest room TVs. Never worry about bandwidth issues or lack of service capacity.

Pre-loaded Application

History Auto-Delete

## Save Big on Costs

Save big on the expenses of managing the Hotel TVs with LG's unique STB integrated solution and IP over Coax.

IP over Coax
